

BIMTECH

Ranked 9th

among Private Indian B-Schools Surveys of Business Today & MBA Universe

The results of the Nielson –Business Today Survey for 2010 have recently been published in the latest issue of Business Today (October 3,2010).According to the survey, BIMTECH has been ranked 9th among the private B-schools of the country. Our overall rank among top 50 B-schools (both government owned and private) is 21st. In northern India, we have been assigned the 2nd rank among the private B-schools.

MBA Universe, the well known independent portal on management education, has ranked BIMTECH as 18th overall, on all India basis (inclusive of IIMs and other government B-Schools) in India, according to their latest 2010 Survey. We occupy the 9th position among private B-Schools across the country.
