

Dr. H Chaturvedi
Director

Dear Students,

Greetings and hearty welcome to the Birla Institute of Management Technology!

It is my privilege to extend a warm welcome to you. These are unprecedented times for all of us as we live through the rapidly unfolding challenges caused by the spread of COVID-19. However, our students are indeed our first priority, and I can assure you that we are taking all the steps so that our students' learning and engagement are least hampered due to pandemic.

Our B-school has been at the forefront to embrace changes all the times. We have a unique mix of faculty having pure academicians as well as practising professors who reinforce each other to renovation the pedagogy, curricula and overall working of the institute with changing times. We are revamping our curriculum in such a way that our students are always ready to face any global crises, disaster, war or epidemic in their future roles as managers or leaders. We ensure the continuity of teaching and learning of our students while keeping their health, wellness and career opportunities in mind.

By joining BIMTECH, you are embarking on an education system that is meant to be transformative – academically, socially, and personally. “Excellence and Values” are our guiding principles which are reflected in every activity of the Institute. Our Handbook clarifies those values and standards and we expect you to honour them in your conduct as a student in the college and thereafter in industry.

Once again, welcome to the BIMTECH family and welcome to our community of shared principles and values.

Wish you happy, healthy, and fruitful two years ahead.

Best wishes!

Academic Information

1. The Prelude

Excellence with Values

This Handbook gives students of BIMTECH guidelines for academic and personal conduct. The curriculum and other inputs and resources, that the Institute makes available to the students, aim for an all round growth of future management professionals. Our students are expected to imbibe value based conduct, emotional stability, maturity of thought, and spiritual sensitivity. We aim that the students will strive to achieve the objectives of the Institute, abide by the rules and conduct themselves in such a manner as to bring laurels for themselves and prestige to the Institute.

The BIMTECH Student's Handbook contains information for students about available services, administrative policies and procedures, academic regulations, conduct standards and regulations, and governance structure. The goal of the Handbook is to help students take advantage of opportunities at BIMTECH.

The Handbook's rules/guidelines are effective for the 2020-2021 academic year, beginning June, 2020. Changes could be made in this Student's Handbook by BIMTECH management whenever necessary, and shall be effective as of the date on which they are formally notified, or on the date specified in the change.

All students pursuing their studies in BIMTECH will be bound by the policies, procedures, and academic regulations contained herein, or issued by the competent authority from time to time.

2. Student Development Goals

BIMTECH aims at the all-round development of students including academic, social, and personal growth. The Student Development Goals aim at nurturing the students in such a way that they are equipped to handle the challenges of the increasingly complex world around them. These goals emphasize the necessity for BIMTECH students to fulfil their responsibility towards themselves as well as to the society.

3. BIMTECH Honour Code

The Institute aims to create an environment in which students, faculty, staff and individuals affiliated with the Institute can freely exchange ideas and thoughts, build on their intellectual curiosity and celebrate diversity.

To create such an atmosphere, members of the community must respect each other and act responsibly.

A BIMTECH HONOUR CODE has been designed to give a clear direction to the students in this regard. The Institute expects students to follow this code.

While joining the Institute, in the Orientation Programme, every student will take a pledge and commit himself/herself to follow the BIMTECH HONOUR CODE in its true spirit.

Pledge of BIMTECH Honour Code

As a BIMTECHian, I take the pledge that –

- I will strive to act with honesty and integrity.
- I will respect the rights and dignity of all people.
- I will care for others' safety and will avoid any kind of verbal and physical violence.
- I will provide truthful information to the Institute about my personal background.
- I will not fabricate or plagiarize any information with regard to the curriculum.
- I will always act in a lawful manner and not participate in any unlawful activity such as ragging, indulging in the consumption of intoxicating substances, etc.
- I will not seek, receive, or obtain an unfair advantage over other students.
- I will personally uphold and abide, in theory and practice, the values, purpose, and rules of the BIMTECH HONOUR CODE.
- I will report all violations of the BIMTECH HONOUR CODE committed by members of the student community, to the authorities.

Handling Honour Code Violation

Every student is expected to report suspected violation of the Honour Code to the Discipline Committee. The Committee will then notify the individual charged that a case of Honour Code violation has been filed and that an investigation will follow.

At this point, the Committee will commence an investigation to determine the existence, nature, and extent of the alleged violation. The student charged will have an opportunity to present his/her evidence and case at a date and time determined by the Committee. At the end of the investigation, the Committee will determine whether the charges should be dropped, or appropriate disciplinary action should be declared.

5. Relevance of Accreditation

Accreditation is the process by which the competency of an educational body is certified. It is strongly linked to the quality status of an institution. The higher education institutes adhere to the quality standards set by the accreditation bodies to delivery high quality education and support facilities to the students.

There are two accreditation bodies nationally i.e. National Board of Accreditation (NBA) and National Assessment and Accreditation Council (NAAC); and there are many international bodies i.e. Association to Advance collegiate Schools of Business (AACSB) based at Florida, USA, Association of MBAs (AMBA) at London, UK, European Quality Improvement System (EQUIS) based at Brussels, Belgium.

Accreditation of the institutions by these bodies focus on promoting and recognizing the institutions and universities offering technical education in terms of their superiority. The benefits of the accreditation are transferred not just to the institutions but also to the students, prospective employers and even the society who are also the key stakeholders. An obvious advantage is the continuous improvement in terms of quality wherein the approach is developmental in terms of promoting excellence in higher education. In brief, the aim of the accreditation is to establish that students are learning contemporary and relevant material to their field of study which will enable them to become successful leaders after graduating. It involves measuring the goals and objectives of program in order to develop an assurance of learning, which is central to the accreditation particularly AACSB. This helps the institute to benchmark itself with the schools across the globe and therefore the process is extensive and stringent.

We are very proud of the fact that all our Postgraduate Programmes, namely: PGDM, PGDM (IB), PGDM (IBM) and PGDM (RM) have been granted accreditation by NBA for maximum period of time that an accreditation body offers. BIMTECH has also completed its first cycle of NAAC accreditation and we are proud to have met the challenge by achieving A+ grade. We intend to consistently uphold the principles of quality management education and student engagement in future. In addition, the institute is in process of international accreditation through AACSB and has accomplished few milestones. The college aspires to achieve AACSB accreditation soon.

8. Examinations

a. Assessment Method

The Institute follows a well-structured evaluation system for assessing the performance of the students. This system of assessment is based on a well - designed course structure. While the core subjects are compulsory for all students; the elective subjects are chosen by the student based on the area of specialization, as applicable, with the consent of the Chairperson. The assessment of the student will be done as follows:

1. Internal Assessment:

Students' internal assessment is continuous in the trimester based on his/ her performance in classroom discussions, analysis of case studies, project work, presentation(s), assignment(s), surprise quizzes, mid-term written examination and on-line tests, etc. Fifty percent weightage is given to this assessment.

Internal marks/attendance are communicated to students prior to end term examinations by the faculty concerned. The marks awarded in internal evaluation will be moderated by Examination department as per student's attendance record & attendance policy of the institute detailed separately in this handbook, subject to the proviso that marks in internal assessment in a subject do not exceed the maximum marks allocated for the internal assessment.

2. End Term Examination (ETE):

The end term examination is conducted in each course/ subject to assess the analytical and conceptual understanding of the students through essay type questions and the skill to use the knowledge through the case and/or problem- solving exercises. Out of the total, fifty percent weightage is given to this assessment. Examinations are generally governed by the following:

- ETE is usually not conducted in subjects which have 2 credits or less which have internal assessment out of entire 100 marks.
- ETE is of 2 hours 30 minutes duration but for some subjects, the duration may be shorter based on course requirements. The standard question pattern for the end-term examination is as follows :

- a) Group A will have six questions divided into 3 blocks of 2 questions each. Students have a choice of attempting one question out of each block of two alternative questions (each of 10 marks) and total three questions (for a total 30 marks). Each block will cover one different CILO (Course Intended Learning Objectives).
- b) Group B will have a case study covering one or more CILOs as per the case to be analysed. There may be two or more questions for a total of 20 marks (usually all CILOs will be covered).

(Note: There could be deviation(s) in question paper pattern with approval of Dean- Academics which will be advised to students by the faculty concerned.)

3. Relative Grading:

The Institute follows a system of 'Relative Grading' for assessment of students' performance vis-à-vis the group by converting marks to grades. The exercise is done prior to the result announcement, jointly by Faculty /Area Head/Chairperson and the Controller/ Dy. Controller of Examination to ensure fairness and transparency in the process. The following table depicts each grade letter with its value on a 10 point scale (1-10):

Description	Grade	Grade Point
Excellent	A+	10
	A	9
	A-	8
Good	B+	7
	B	6
	B-	5
Satisfactory	C+	4
	C	3
	C-	2
Poor Fail Incomplete	D	1
	F	0
	I	--

The Term Grade Point Average (TGPA), a weighted average of grade points, is worked out as given below:

- Each subject carries a certain number of Credits. The Credits for each subject will be intimated to the students by the respective Programme Chairperson.
- Based on the credits and grade point obtained by the student for each subject, TGPA will be calculated as follows:
 - $TGPA = \frac{\sum (\text{credits} \times \text{grade point})}{\sum \text{all credits}}$
- After second trimester onwards, a Cumulative Grade Point Average (CGPA) being the weighted average of TGPAs is calculated as follows:
 - $CGPA = \frac{\sum (TGPA \times \text{term credits})}{\sum \text{term credits}}$

Where \sum term credits are the total of credits of all trimesters considered.

- The student must satisfy the following conditions at the end of the third term of the first year to be eligible for promotion to the second year:
 - a) A minimum CGPA of 5.0
 - b) Not more than 4 Ds or 2 Fs (1 F = 2 Ds).
4. At the end of the first year of the 2 year program, if the student does not meet passing criteria (viz. minimum CGPA of 5 and not more than 2 Fs), Dean Academics on the recommendations of the chairperson may grant approval for special exam(s) to be conducted for the student in the fail subjects. This would, however, be the last chance and no revaluation, supplementary or improvement would be permitted thereafter. These exams would be held and evaluated (on the payment of the usual fees) generally before the start of the 4th term.
 5. If the student still does not achieve passing criteria he/she would have to leave the course but could opt to get readmitted with the new batch in the next academic year by special approval on the recommendation of Chairperson and approval of Dean Academics. If he/she decides to do so it would be with full tuition/hostel/mess fees. He/she would then only be able to complete diploma requirements by the end of 3 years, and with the course content in the 3rd year (2nd year of the junior batch) as applicable.
 6. Similarly, the criteria to be eligible for award of Diploma at the end of 2 years is to achieve a minimum CGPA of 5.0 and not more than 2 F s and 1 D (or equivalent with 1F=2Ds) but with no 'I'- Incomplete Status' of any subject.
 7. The minimum eligibility criteria to be considered for relative grading is 40% marks separately in Internal and End-Term evaluation. Those students not achieving this in either assessment would be required to appear in a supplementary exam evaluated out of 100 marks in the subject.

b. Revaluation:

A student can apply for revaluation of his/her paper after the announcement of end-term/supplementary results. For a non-end term exam subject, the revaluation will only be accepted if the concerned faculty agrees to do so. The paper in all other cases will be sent for revaluation to an alternate faculty as per the revaluation process, thereby ensuring independent evaluation. The student if he/she so desires can view his/her answer book but no further correspondence regarding valuation will be entertained. End term marks after revaluation would apply. In case a student passes in the end term revaluation, his/her internal marks will be carried forward. There would be no revaluation of internal assessment.

c. Supplementary/Improvement Examination:

A student will be eligible for supplementary examination in case he/she gets a D or an F grade in a subject. The marks in all supplementary examinations will be out of 100 and previous internal marks would lapse. There will be no 're-supplementary' examination. Students not achieving passing CGPA of 5.0 or having more than 2 Fs (1 F = 2Ds) at the end of each trimester will also get an opportunity of achieving passing grades by taking supplementary/improvement exam but not both in a subject i.e. no improvement would be allowed in a subject after the supplementary exam.

A student will be eligible to appear in improvement examination in the subjects where he/she has C+, C or C- grades in a term & CGPA in the term of less than 5.0. Any opportunity for Improvement not availed of at the appropriate time will lapse.

Improvement exams are held along with supplementary exams at the end of each term as per timetable below. The fees in case of improvement exam will be same as supplementary exam fees. "Re-improvement exam' will not be permitted. If there is a reduction in overall marks after an improvement exam, the previous grade would be maintained.

Schedule of Supplementary/ Improvement Examinations:

1. Supplementary/Improvement Examinations of 1st Trimester of a batch will be held along with 2nd Trimester of the same batch.
2. Supplementary/Improvement Examinations of 2nd Trimester of a batch will be held along with 3rd Trimester of the same batch.

3. Supplementary/Improvement Examinations of 3rd Trimester of a batch will be held along with 4th Trimester of the same batch.
4. Supplementary/Improvement Examinations of 4th Trimester of a batch will be held along with 5th Trimester of the same batch.
5. Supplementary/Improvement Examinations of 5th Trimester of a batch will be held along with 6th Trimester of the same batch.
6. Supplementary/Improvement Examinations of 6th Trimester of a batch will be held immediately after the declaration of result.

Charges for Supplementary, Improvement and Revaluation are uniform & non-refundable @ Rs.2000 per paper. The maximum ceiling of Rs.4000 per term for the aforesaid has been discontinued for all students with immediate effect.

d. Outward Exchange Students:

Students can opt for a term of study in one of the partner Institutes of BIMTECH abroad. All grades earned in the foreign university would be converted into BIMTECH grades as per policy which will be advised to exchange students before they opt for the foreign university. Issues regarding supplementary (resets) for exchange students would be handled as per rules of the foreign university. The Trimester-2 supplementary exam for Exchange students would, as per current practice, be conducted on their return from abroad.

e. Course of Independent study (CIS):

This is a provision for the last chance for course completion subject to the approval of the Management for students who at the end of 2 years are not meeting the passing criterion. Students who are not eligible for a diploma may request the concerned Chairperson for permission to opt for CIS in failed subjects. CIS would be considered for students based on recommendations of the respective Chairperson to Dean Academics for sanction and is not a matter of right. The student would take up CIS in the 'Fail' subjects in an ensuing Academic year and complete the CIS subjects in one attempt per subject either in the first or the second term of the next academic year.

The student would be charged a fee of Rs.15, 000 per subject per term and exam fees of Rs.2000 per paper. No revaluation/supplementary/ improvement would be allowed in the subjects after the student appears in the end term paper for the subject(s) and the results of the evaluation would be final. The student would have to ensure that he/she achieves the passing criterion at the end of CIS. In

one term the student would have 10 one hour weekly interactions/ term with the faculty teaching the subject. Marks for CIS courses would be out of 100.

f. Academic Integrity:

Academic Integrity is about the honest presentation of your academic work. It means acknowledging the work of others whilst developing your insights, knowledge and ideas. Academic work in an institute depends on the practice of academic integrity as a core value. It is an important part of academic life for both staff as well as the students and is also essential to all academic thought and practice. All work produced must acknowledge the sources of ideas presented and cite the original written work.

g. Avoiding Plagiarism:

In preparing assignments, the students will need to do independent work. If any ideas of others are used they should be acknowledged and should not infringe the copyrights. Students are encouraged to read widely and acknowledge any ideas that are not their own by including citations in a list at the end of every assignment. It is the responsibility of every student to know how to reference correctly. The Harvard Referencing System or other referencing systems need to be used in research papers and assignments.

h. Penalties for Plagiarism

Penalties for plagiarism can be severe depending on the nature of offences. If a student has been charged with academic misconduct for plagiarism, he/she may have to attend a hearing to defend or explain actions. If found guilty the student could get zero marks/credit for the assignment and/ or be given a more severe penalty as decided by the Institute.

i. Code of Conduct during the Examinations

These are detailed on the reverse of the Admit Card and are summarised below:

- No student is allowed to leave until the invigilator is satisfied with the collection of all the answer sheets.

j. Use of Unfair Means and Punishment (UFM)

Students should observe silence at all times during the examination. The invigilator reserves the right to expel any student from the room or hall if he/ she fails to observe the code of silence or if he/she misbehaves during the examination.

1. Students must not bring any books, notes or memoranda into the exam room or hall. Any unauthorized materials found with the student or on the desk will be taken to mean that these materials were intended for dishonest use whether or not the student actually uses them he/she will be charged with use of UFM.
2. Any student who copies from another student or allows the answers to be copied by another student will be considered to have used UFM & will be punished accordingly.
3. Any student who attempts to use Unfair Means will be severely dealt with as per clause 4 to 8 hereunder.
4. In the first instance of Use of Unfair Means (UFM) the paper for the student may be cancelled and the student will have to appear in a supplementary; the grade awarded in the supplementary will be reduced by one grade.
5. In the second instance of UFM by the student, he/she will be awarded a permanent Fail grade with no option of a supplementary.
6. In case of third instance of UFM by the student, all the exams in the trimester will be treated as cancelled and will have to be repeated.
7. While these are usual penalties levied, there could be more severe punishments as per the decision of the Examination Committee (EC). The decision of the EC appointed by the Management of the Institute shall be final and binding on the examinees with regards to any disputes concerning examinations.

General

1. Students should observe silence at all times during the examination. The teacher-invigilator reserves the right to expel any student from the room or hall if he fails to observe the code of silence or if he misbehaves during the examination.
2. Students must not bring any books, notes or memoranda to the academic block. Any unauthorized materials found on the student or desk will be taken to mean that these materials are intended for dishonest use whether or not the student actually uses them.
3. Students are also instructed not to bring mobile phones into the academic block during examination period.
4. Any student who copies from another student or allows the answers to be copied by another student may have all his papers cancelled for the trimester.
5. Any student who attempts to cheat will be severely dealt with. All the papers may be cancelled if investigations confirm that cheating has taken place.
6. Any deviation from the above mentioned rules will be dealt with very seriously and may lead to cancellation of all the papers for the trimester for the guilty student.

Please Note

The institute reserves the right to take appropriate punitive action against such examinees who are reported to be using unfair means during examinations. The decision of the Director of the institute shall be final and binding on the examinees with regard to any disputes concerning examinations.

9. Discipline and Conduct Rules

The Institute strives to develop morally and socially responsible business leaders and entrepreneurs maintaining the highest standards of ethics, academic integrity, and care for the community. It is the collective responsibility of all BIMTECHians to achieve this so as to enrich their experience on campus and ensure that they ultimately become role models in their communities. To achieve this, the Institute has laid down certain norms for general discipline and ethical conduct on the campus under the Dean Student Welfare which ensures ethical behaviour. These are certain norms which students are expected to follow:

a. General Discipline

1. Ragging, inside the campus, hostels or outside the campus is strictly prohibited. Any student found ragging a fresher or any other direct or indirect involvement in this unlawful activity will entail strict action against the guilty, which may also be immediate expulsion from the Institute and/or any other punishment deemed fit by the Discipline Committee. Please note that we abide by the Supreme Court directives in this matter.
2. Students are expected to exercise control over verbal as well as the non verbal (body) language while dealing with faculty, staff, and fellow students. Intemperate language and rash behaviour will not be tolerated under any circumstances.
3. Wearing helmets and following traffic rules is a must for the safety of students riding two wheelers. Students riding bikes and two wheelers must purchase helmets of good quality.
4. Smoking, consuming alcohol, taking drugs, and chewing tobacco in any form or possession of these items inside the campus and hostels is prohibited. Non-compliance will invite severe penalties which might include debarment from the placement or any other such disciplinary action or measure decided by the appropriate authority or committee formed for the purpose. This will include those students also who have consumed alcohol outside the campus but are found to be in inebriated condition inside the campus and hostels.
5. Mobile phones should be switched off during curricular as well as extra-curricular activities. Mobile phones are also not allowed inside computer labs, library, and administrative offices. As per norms of normal decency, photograph of any other person/student should be taken only after taking his/her concurrence.

6. Students are expected to be punctual for all classroom functions, guest lectures, seminars, conferences and all other curricular and extracurricular activities.
7. Students are expected to display acceptable behavior within the campus. Except handshakes as a form of greeting, no other physical proximity between male and female students is permitted.

b. Classroom Discipline

1. Students are expected to be present in all the scheduled classes as per the timetable shared with them. They should be seated in the class at least five minutes before the scheduled start time. No student should remain absent from any class without intimation and prior sanction by the concerned professor handling the class. Unauthorized absence from the class will invite penalty which will be determined by the faculty concerned.
2. Students are expected to be fully involved while in the classroom. Any distraction caused by the use of mobile phones, cross talk or chat with fellow students will invite disciplinary action as determined by the faculty concerned.
3. Students are expected to be present in the classrooms for the lectures before the instructor. Late entrants will not be allowed to enter the classroom.
4. Other than the classroom contact hours based on course credits, students are expected to spend 2-3 hours for every session outside the classroom working on assignments and projects.
5. Assignments and projects should be the original work of the student. Copied assignments from internet, seniors or from classmates will not be acceptable. Plagiarism is viewed very seriously and zero marks would be awarded in such cases or student may even fail the course.
6. To avoid academic fraud and to maintain research ethics, BIMTECH makes systematic use of Turnitin®. Each student should submit originality report with their assignments.
7. Students are expected to be punctual in all respects and they should try to submit their assignments before the last date of the submission.
8. Fans, lights and other electrical devices should be switched off after the session gets over.
9. Eatables and beverages are not allowed to be taken in the class.

c. General Code of Conduct

1. The very nature of the postgraduate program requires students to work collaboratively in teams. Occasionally, students come up against a true struggle in the team environment, in the form of one non- performing

student. The team leader has to bring such students to the notice of the concerned professor.

2. After the classes, students are instructed to use only the ground floor of the Academic Block (excluding the stairs) for academic group activities. Two classrooms (C2 & C4) will be kept open till 9 p.m. for this purpose.
3. Any student (s) with a genuine need to use the computer lab or seminar hall after the scheduled closing time (for placement, academic, cultural and other activities) should compulsorily seek permission from the Deputy Director through the concerned faculty-in-charge.
4. The Institute attaches utmost importance to national festivals viz., Independence Day, Republic Day, Gandhi Jayanti. The Institute authorities and the Cultural Committee of students organize befitting programmes. Various cultural and academic activities are also organized for the benefit of students throughout the year. Students are expected to participate in these activities with due fervour and enthusiasm. No permission for a night out or day out will be given for such days except in very special circumstances.
5. Students are allowed to celebrate birthdays till 10:45 p.m. They should wind up the celebrations within 15 minutes. Only the following venue should be used for celebrations:
 - For Campus: Under the canopy in the garden outside the hostels.
 - For Off campus hostel: The celebration should be under the canopy in the garden outside of the hostel.
6. Organizers of birthday parties will have to seek permission for the same from the warden. They will also have to ensure that they leave the place neat and tidy after the celebration is over.
7. Any kind of physical activity which may cause injury to the student whose birthday is being celebrated is strictly prohibited. This includes the common practice of giving bumps, etc. Any infringement of this rule will invite stringent disciplinary action.
8. Due precaution should be taken to keep the noise low during birthday celebrations so as not to disturb any of the residents on the campus. Organizers should ensure that all the students are back to their hostels by 11:00 pm.
9. Students should carry their identity cards always with them and show it to the authorities whenever asked for.
10. All students, from all batches and courses, shall have to compulsorily follow the formal dress code in the Academic Block from Monday to Friday irrespective of the time of the day or the night. Kurtas and other casual wear will not be allowed in the Academic Block.
 - Formal Dress includes:
Boys - Shirts (Plain, Stripes, Checks), Trousers, Formal Footwear
Girls - Shirts (Plain, Stripes, Checks), Trousers or Suits, Formal Footwear

11. Any type of casual / indecent attire (shorts, knickers, see-throughs, sleeveless dresses) will not be allowed anywhere outside the hostel rooms. Gents kurtas, other casual wear, capris and bathroom slippers will not be allowed in the Academic Block.
12. It is the moral responsibility of each and every inmate of the campus to maintain the dignity, decency and decorum of the campus. Every inmate has the right to object to any and every kind of indecent or socially unacceptable activity or behavior, and such objection should be accepted gracefully.

d. Attendance Rules

1. Minimum Attendance during the trimester in the class in each course has to be at least 90% in order not to have any deduction of marks.
2. All leave applications must be finally signed by the warden before the student leaves the campus.
3. Grant of notional attendance in addition to actual class attendance the following types of leave can be considered by the institute:

Attendance %	Deduction/Bonus marks in internal assessment in the subject
Less than 70	70% physical attendance in class is compulsory. Below this, the student will be debarred from end-term exam.
70-79.9	Deduction of 3 marks
80-89.9	Deduction of 2 marks
90-100	Bonus 5 marks

*(For Retail Management and Insurance business courses, OJTs and STPS are the part of physical attendance.)

Short attendance will be penalized & good attendance will be rewarded

4. Notional Attendance may be granted up to a maximum of 20% for one or more or all of the following reasons:
 - Sickness involving hospitalization, should be duly certified by the hospital authorities and subjected to the submission of all diagnostic reports.
 - Preparation and participation in any other activities (like conduit events of Institute or if deputed outside by the Institute etc.). Prior approval in writing by concerned authority is necessary.
 - Any activity relating to placement including Summer Placement duly certified by the chairperson of CCR.

NOTE:

- All students must plan their extra and co-curricular activities in such a way that they get at least 80% actual attendance in the class if they qualify for another maximum 20% notional attendance for various activities.
- Student may be engaged in a student exchange programme with other universities / institutes (within India or otherwise). In such cases, the attendance will also be considered, provided the student has attended the agreed programme.
- No other exceptions will be considered for granting of leave. However, Academic Advisory Committee of the programme or the Director / Deputy Director may consider certain special cases.
- Short attendance will be penalized & good attendance will be rewarded as per the table provided in the point number 3.

The attendance for deputation for official work, cultural and other activities etc. will be recommended by the faculty concerned within a week of the conclusion of the activity and the records will be centrally placed with the office of the Dean Academics and will be passed on to the respective Centres. This attendance will be taken into account for arriving at the total final attendance.

- For incomplete grade 'I', the student should refer to point no.10 of the Assessment Method section of the handbook.

5. Procedure for Grant of Notional Attendance

- **Faculty:** Actual Attendance will only be given if the student is physically present throughout in the class. They will not entertain any request from students to grant notional attendance for any permitted activities or reasons.
- **Centre Chairpersons:** They may grant notional attendance up to 20% as per above rules and send a report of such cases to the Director, Deputy Director and Registrar. They must also send a list of students who do not qualify for appearing in examinations owing to a shortfall in attendance even after allowing notional attendance earned by them.
- **Director/ Deputy Director:** Notional attendance in any special case not covered under above rules may be considered on case-to-case basis justified by reasons for the shortfall in attendance.
- **Manager Academic:** Attendance will be granted as per above rules. Manager Academic will keep records relevant to various reports required by the programme and students.

e. Rules for Live Projects with companies

STP/Live Project Rules

1. STP/Live Project will start only in Term III.
2. The time duration of the live project will be of 10 days inclusive of student's off day and weekly off (Saturday, Sunday).
3. Not more than 10% of students of a section/class can be allowed to do the STP/Live project at any point in time.
4. In Term II as an exceptional case where CCR floats a live project and gives a very strong recommendation, three students from a section can be sent subject to the approval of the Dean Academics.
5. STP/ Live Projects will be done on a rolling basis for all the programs.

STP/Live Project Eligibility, Attendance & Assessment Rules

1. Students who do live projects / STP must have physical attendance of minimum 60%.
2. STP/ Live Projects can be offered to students who have a minimum CGPA of 6.5 till the end of the previous term.
3. The STP/ Live Project will be evaluated by an external expert. The Program along with CCR will handle the evaluation process before the beginning of end term examination.

f. Attendance Rules for the Members of Student's Placement Committee

Student's Placement Committee Members perform a very crucial role. They are responsible to drive the placements in close coordination with the Chairperson of the Centre for Corporate Relations.

The CCR PlaceCom members who seriously participate and contributes to the major activities of CCR will have to maintain 60% physical attendance to become eligible for participating in the end term examination.

The CCR will have to certify to the Program Office about the effective involvement of the individual in the placement activities. As a blanket rule, all PlaceCom members will not be entitled to this benefit.

g. Rules regarding Participation in Competition Sponsored by Corporates

Institute from time to time floats corporate sponsored competitions. Centre for Corporate Relations issues notices in this concern throughout the year. Students are encouraged to participate in the same with the approval of the CCR.

Participation and Attendance Rules

1. These rules apply only to those competitions which are sponsored by corporates and notified as such by the CCR.
2. Students who participate in such competitions will be eligible for 60% of attendance subject to the following:
 - They participate till the level of regional, zonal or national level for which they have to travel or put extra time in terms of doing certain activities for pre-preparations.
 - This is validated by a certification/mail.
 - It is to be properly registered with CCR and duly validated by them.
 - Notional Attendance will be considered for the period the student is engaged in such competitions provided he/she has otherwise maintained the minimum attendance.
3. In case the student is not able to perform in the said competition, he will have to maintain a minimum of 70% attendance for appearing in end term examination.

h. Rules for Participation in Non-Credit Certifications Courses

1. Students have to complete one online certification and one industry-endorsed certification before the end of Term III.
2. Once the students opt to participate in a Non-Credit Certification Course, it will appear in the transcript/mark sheet. In case the student is unable to complete the course then it will be written as "I" which means Incomplete.
3. On line, certification should be minimum of 20 hours. The suggestive list will be shared by the CCR/ Programme office.
4. A certificate of attendance or completion will be issued by the organizing body after the completion of the Non-Credit course floated by the Institute.
5. For online courses, the student has to furnish the certification of completion to the program office before the completion of 3rd trimester examination.
6. Online Courses or industry course done as a part of the internal evaluation of any credit course will not be considered.
7. If the student is not able to furnish any certificate before the commencement of 3rd trimester examination (a week before the exam), it will be graded as incomplete (I). No further chance will be awarded in such a case.

i. Submission of No-Dues and Final Night Out Form at the time of final vacation of hostel

1. Duly signed "No Dues" form from all departments to be submitted by the students at Students' Welfare Centre.
2. Final Night-out form to be signed and approved by the warden only after submission of No dues at SWC.
3. It would be mandatory to submit the final Night-Out form, duly signed by the warden, at the gate, at the time of final leaving the college.

j. Students' Grievance Redressal (SGR) Cell

A centralized Students' Grievance Redressal (SGR) Cell enables the students to put their grievances and suggestions for quick consideration and redressal. Any student having grievance or suggestion in respect of any department of the institute other than food and hostel may share it either online through mail on student.suggestions@BIMTECH.ac.in or in writing in the suggestion box placed in Academic Block near the Help Desk. The grievances / suggestions received by the cell will be forwarded to the respective department. All the departments of the institute are requested to reply to the same within 48 hours. A copy of the reply has to be marked to the Grievance Redressal cell as well.

A monthly review of the performance of grievance redressal machinery of all the departments will be held.

Complaint Redressal System is in place and students can lodge their complaints related to Facility Management at the below given site-- <https://spreadsheets.google.com/a/BIMTECH.ac.in/spreadsheet/embeddedform?formkey=dFhmMll6b29XMkNwRUUwR0lOTWhtdGc6MQ>

10. Policy and Rules for Final Placement and Summer Training/ Summer Internship

a. Placement Assistance

1. Support for Final Placement and Summer Internship is provided by the Institute to students. This activity is done under the aegis of the Centre for Corporate Relations (CCR). Periodically, students are be advised, through the students groups' mail ID as well as through the CCR notice board, about summer/ final placement opportunities. Students are advised to be on the lookout for relevant information either about summer internships or final placement.
2. Students should be aware that actual placements would depend upon the general economic and industry scenario, the academic and non-academic competencies including good communication and soft skills developed by each student, cultural and medical fitness of each student, as determined by the recruiters.
3. While every effort will be made to enable each student to compete effectively for positions offered by companies, the actual conversion of the opportunity into a concrete placement is the sole responsibility of the student. The institute, therefore, does not guarantee that a particular student shall be placed for final or summer internship irrespective of the student's performance parameters.
 - Students should study the job description (JD) conveyed by companies thoroughly and prepare accordingly.
 - Students should report in the classroom 15 minutes before scheduled time as & when notified by CCR for interactive sessions with the recruiters.
4. The major components of the placement (summer or final) process are written/online test, group discussion, personal interview, personality profiling etc. Apart from thorough domain knowledge, recruiters expect students to be totally updated on current national, economic and political world developments, especially those affecting the economy and the impact of such events on the industry or business for which the recruitment is taking place (the ability to connect the dots). The recruiter expects to see depth of understanding, analytical skills and originality in student's responses, whether it be group discussion or personal interview. Another important quality that a student should develop is up-to-date general

awareness and the ability to connect the dots i.e. the ability to connect recent events / changes to the relevant industry or company. Needless to add that a good CGPA and proficiency in some extracurricular activities and participation in corporate sponsored competitions will be very valuable additions for the student. Students should try to upgrade themselves through extensive reading, especially financial and general newspapers besides studying course curriculum and last but not the least, by regularly attending the class lectures, guest lectures, workshops and seminars organized by BIMTECH to provide value to future employers. The student would also be well advised to take advantage of free online extra certifications from Coursera, edX, etc to strengthen their CVs.

5. Please remember that companies are looking for proactive, energetic, diligent, well rounded personalities who have indisputable integrity with high energy. The recruiter also needs to sense the “hunger” for the job on offer from the candidate through the body language and attitude.
6. BIMTECH will encourage and assist all students to emerge as credible brands in their own right, who are sought after by the corporates.

b. Policy, Rules and Code of Conduct

1. Transparency, fairness and equal opportunity for all students (subject to the specific requirements of the recruiter) is the policy of BIMTECH and are the hallmarks of the placement process at BIMTECH.
2. Whenever a company proposes a visit to the BIMTECH campus, CCR sends a e-mail confirming the date of process, as well as display it on the notice board with the details related to JD /written test/GD/interview. Students then give their names to CCR for attending.
3. Once a student gets shortlisted by the corporate for their recruitment process of GD, Written Test etc, he/ she **cannot, on any account, withdraw from the process of that Company**. Violators may have to pay fine and /or face debarment from any subsequent placement process. Hence prior to expressing interest, student should make his/her mind.

4. It will be the responsibility of the students to be extra careful in maintaining the basic decorum, discipline and decency at the time when the company representatives are on the campus for placement-related activities or when they participate in the processes at the Company's premises. Any student found willfully violating these instructions will be liable for punitive measures.
5. Students found improperly dressed or groomed during the campus selection process for final or summer internship may be disallowed from participating in placement process.
6. Once a student is selected by the campus process for final or summer placement, he/she cannot avail of any more placement opportunities through the campus process subsequently. Violation of the principle will be considered a breach of regulation and will invite disciplinary action as determined by the Chairperson, CCR Department.
7. **All communication with the recruiters will be done by the CCR office.** Students are not allowed to directly communicate with the recruiters.
8. Students appearing for placement are expected to report on time for the process and come well prepared by going through relevant literature such as the company website, company's publicity material etc. They should be well groomed in formals, which would be:
 - **For Gentlemen:** Shaven/full beard, neat and ironed clothes, well- groomed appearance. Full sleeves shirt and formal pants (Jeans & Khaki not allowed), leather shoes and a tie.
 - **For Ladies:** Neat and ironed clothes, well-groomed appearance. Sari/business suit/salwar-kameez, leather sandals/shoes.
9. Not more than **seven attempts** can be availed of by any student for the final placement process.
10. To facilitate placement, every student should achieve minimum 6.2 CGPA i.e. 60%.
11. Requirements of the company will be taken care of by the concerned members of the placement/hospitality group while they are at BIMTECH

premises (or at long distance) and any kind of communication to be sent to the company has to be directed through CCR only.

12. Students are advised not to do anything directly or indirectly which may create a poor impression about the institute. Any student found disregarding any of the norms would be liable for disciplinary action.
13. Non-compliance by students of any activity organized by the Institute in the interest of placements will be considered as an act of misconduct. Students found involved in such activities may be debarred from placement assistance. The decision of the CCR will be final in this regard.
14. Students are advised to abide by the **final short-listing done by the company according to their requirements and criteria which shall not be called into question by any student either individually or by raising questions about this in the Pre- Placement Talk (PPT)**. Violation of this rule will lead to the debarment of the student from the process. The PPT queries from students should be aimed at clarifying job profile, compensation, etc.
15. The institute follows “**one student one offer**” policy. In case of multiple processes and offers, the institute will approve the offer which arrives first. Students who have appeared in multiple processes will have to accept the offer which is conveyed to them first by CCR. This stipulation is applicable for Final Placement as well as Summer Internship. Students found violating this rule will face disciplinary action as determined by the Chairperson, CCR Department.
16. Recruiters frequent visit to BIMTECH Campus is because of their faith that students once selected (after the student agrees to the selection by accepting the offer at the end of the process) will take up the assignment on the stipulated date. Hence, students are obliged to act as per their commitment to take up the position for which they have been selected for. This provision is applicable for Final Placement as well as Summer Internship. If a student violates this principle, he/she will have to face appropriate disciplinary action, as decided by the Chairperson, CCR Department.

17. CCR reserves the right to modify or introduce new rules, as and when required, such as granting 'day zero' or 'dream company' status to companies, if circumstances warrant.
18. The Institute allows two years of deferred placement for students who are serious about starting their own ventures. Under the Deferred Placement Policy a student who does not opt for placement initially and opts for an entrepreneurial venture, has the option of joining the stream of BIMTECH students for placement two years later if she/he so desires subsequently. The Scheme will be administered jointly by the Atal Incubation Centre (AIC) and the Centre for Corporate Relations (CCR) on a case by case basis on merits. For more details on the process and procedure, please contact the Atal Incubation Centre.

c. Summer Internship

1. **Objective Of Summer Internship:** Internships are important to enhancing credentials, testing new situations and positioning MBAs for the next step. With persistence, passion and creativity, a summer internship is within reach. It offers important opportunity to work closely with professionals in your field and to develop knowledge, competencies, and experience related directly to your career goals.

Recruiters attach great significance to the Summer Internship Project report in the final placement interview and in depth questions on it can be expected. Hence, the Project Report should be perceived as an important course which signals a student's potential to the recruiters. BIMTECH expects every student to take this activity seriously and turn it in an excellent deliverables at the end of his/her internship in terms of a project report / credentials, knowledge, competencies & experience.

2. **Summer Internship Workshop:** An interactive workshop to set the tone will be held in the campus usually in the month of March to give detailed guidelines and a roadmap to students on the nitty gritty of summer projects, the do's and don'ts etc. Students will also have occasion to interact with executives from corporates/ alumni & seniors in the workshop. They will be informed as to what is expected of them during their internship, the needs of the industry etc. Resource Book will be compulsory in all the sessions of

workshops. Those found absent will face the penalty of deduction of marks per session from the total SIP marks.

3. **Duration:** The duration of the Summer Internship project for all the streams (PGDM, IB, IBM and RM) will be three months, normally between April to June. The projects will carry 9 credit points. After completion of Summer Internship, students will undergo Summer Internship Viva Voce, as intimated by CCR.
4. **Entrepreneurial Internship Program (EIP):** Through the Entrepreneur Internship Program (EIP), first year students can participate in internships wherein during the 10-12 week program, interns will find themselves writing a business plan, presenting to investors and/or customers, performing a market survey, identifying alternative distribution channels, exploring alternative financing structures, or improving information systems. The EIP will be in lieu of the SIP with the differences being;
5. **Object Company:** Students should aim at working with companies, institutions or start-ups that provide challenging learning opportunities rather than making their decision on the basis of hometown convenience or stipend.
 - Only a very limited number of the first year students will be selected to be part of this program through a competitive application process.
 - The students will work on their idea/concept under the supervision of an internal faculty (and if possible, an external mentor) and will try to create a 'proof of concept'/ prototype /ready to market product during their summer internship.
6. **Faculty Allocation, Reporting & Supervision**
 - Prior to finalization of a faculty as the academic mentor, students should submit an application to the faculty they would like to choose as a mentor, stating the proposed area of research, intent and objective of the summer project. The academic mentor would give approval for being the mentor if he/she is satisfied with the student's submission after assessing the potential learning opportunity and commitment of the student. Students should give their applications well in time so that the mentor has adequate opportunity to go through it.

- Students are free to choose any faculty from the domain area of the project from amongst the BIMTECH faculty as their academic guide/mentor.
- **Not more than 12 students can register under any one faculty as a mentor for summer internship. The basis of selection will be 'first come, first served'. Students can check the list of available faculty and vacant seats under each faculty on daily basis.**
- The internee shall arrange for a telephonic conversation between the industry mentor and the academic mentor before finalization of the project topic / title of the project. The concurrence of the both mentors is a must.
- The internee shall submit a fortnightly report on the progress of work relating to internship to the academic mentor, failing which the academic mentor can deduct marks for not meeting the timelines.
- The academic mentor would be making at least one visit to the workplace of the student for a meeting with the industry mentor to review the progress made by the student and also to build a long term relationship between BIMTECH and the company/organisation.
- **Note:** Students are advised to access BIMTECH's Knowledge Portal [http://111.93.32.219.82:/](http://111.93.32.219.82/) (see website) for guidance on model Summer Project Reports. The BIMTECH Knowledge Portal has copies of past Internship reports of students which can also be accessed for reference purposes.

11. International Student Programs and Scholarships

Organizations need people who are adaptable to change and thrive in uncertain situations. With the globalization of business, intercultural awareness has become imperative. BIMTECH has forged international collaborations to provide international exposure and learning opportunity to students.

The detailed information about the various activities regarding International Student Programmes will be circulated to student group email ids and will also be available on the NAT in the Centre for International Affairs folder.

a. Student Exchange Programme

1. Student exchange programme is open to all students of first year and second year. However, BIMTECH may not nominate a student or may cancel nomination of a student for exchange programme if found not following academic or discipline norms. The minimum criterion for eligibility is a TGPA score of 5 in Trimester I & II at BIMTECH.
2. Student exchange programme is offered for one to two trimesters. The application process starts in August to nominate students to go under exchange programme. All the communication related to Student exchange is periodically updated on NAT in the Centre for International Affairs folder.
3. List of International partners with links to their websites is available on the website <http://bimtech.ac.in/international/international-partners/>
4. BIMTECH policy on student exchange explains all rules and regulations regarding the programme. Students applying for exchange program need to sign the policy on student exchange in order to be considered for screening process.
5. Under the exchange programme, students do not pay tuition fee to the partner university. The student is supposed to bear airfare, accommodation, insurance and other personal expenses while visiting partner university. Some of the universities demand tuition fees, they will be announced separately.
6. Students will get a refund on BIMTECH accommodation and mess charges as per BIMTECH norms which is mentioned in student exchange policy.
7. Students receive transcript/ certificate from Partner University which gets translated into BIMTECH Grade system.
8. In case any student has appeared in final year graduation examination in the year of admission, they must ensure before leaving for student exchange programme that they have submitted their Final Year Graduation Marks Sheet for inspection and

return by the Registrar / Administrative Office with a copy of marks sheet latest by 31st October, of the calendar year, as per admission norms.

b. Scholarship by Partner Institutions

Students have the opportunity for scholarships and ERASMUS+ Mobility grants from few institutions around the world such as FH Joanneum, Austria; French Embassy, Government of South Korea, Kozminski University, for exchange programme or for research projects. Such scholarships are on a competitive basis and open to all countries.

c. Global Graduate Research/ Consultancy Project

The programme is an opportunity for students to work with students from other universities on research projects under mentorship of BIMTECH and partner faculty. Students get an understanding of multi-market mechanism, virtual team work, complexities of working across time zones and working and collaborating with teams with different cultural orientation. Students have worked on live projects (as consultants to companies) and collaborated in teams with students from partner institutions such as FH Joanneum, Austria; University of Hertfordshire, UK; Philadelphia University, University of Maryland, Wake Forest University, USA. The request by partner institution for such projects is circulated to student group ids.

b. Policy on Use of Internet by Students, Staff and Faculty

1. Email & Password Creation:

- IT department creates email-id of new students.
- The email-id consists of (first name.last name plus the year of passing@bimtechmail). For example abc.efg19@bimtech.ac.in.
- The password assigned initially must be changed on the first login.
- In case the password is forgotten, one has to contact IT person in the computer lab with their ID-Cards.

2. Email Account Use Policy

Bimtech IT department is authorized to use Google Apps Platform as mail client and hence provide email service for its faculty, staff and Institute administrators with URL: <http://mail.bimtech.ac.in>. It is recommended to utilize this e-mail service for academic and official communication. Formal official notices to faculty and staff may also be circulated through this service. E-mail service will facilitate fast delivery of messages and documents to campus and external user groups or individual users. The user shall contact IT centre for allotting an e-mail account and default password. The e-mail address should be kept active by using it regularly. Users using e-mail facility will have to abide following:

- Use of this facility for commercial or illegal purposes is a direct violation of Institute's IT policy and may subject to withdrawal of the facility. Illegal use includes but not limited to, sending the unlicensed and illegal software as an attachment, unsolicited bulk e- mail messages and generation of threatening, harassing, abusive, obscene or fraudulent messages/ images.
- Only 20 MB of data can be sent through the mail. If need be, then the balance data can be sent via another mail. If required google drive may be use.
- Any mail or attachment that is from unknown and suspicious source should be avoided; such messages may contain viruses that have potential to damage the valuable information on your computer.
- It is user's responsibility to keep a backup of the incoming and outgoing mails of their account. The user should not share his/her email account and password with others, as the individual account holder is personally held accountable, in case of any misuse of that email account.

- The user should refrain from intercepting, or trying to break into others email accounts, as it is infringing the privacy of other users.
- Impersonating email account of others will be taken as a serious offense under the Institute IT security policy.
- Any Spam mail received by the user into INBOX should be forwarded to it@bimtech.ac.in.

3. Guidelines for Using Bimtech Mail

The purpose of this email policy is to ensure the proper use of BIMTECH's email system and make users aware of what BIMTECH deems as an acceptable and unacceptable use of its email system. The institute reserves the right to amend this policy at its discretion. In case of amendments, users will be informed appropriately.

4. Legal Risks

Email is a business communication tool and users are obliged to use this tool in a responsible, effective and lawful manner. Although email seems to be less formal than other written communication, the same laws apply. Therefore, it is important that everyone is aware of the legal risks of email:

- If one sends or forwards emails with any libelous, defamatory, offensive, racist or obscene remarks, the individual and the institute can be held liable.
- If one unlawfully forwards confidential information, the individual and the institute can be held liable.
- If one unlawfully forwards or copy messages without permission, the individual and the institute can be held liable for copyright infringement.
- If one sends an attachment that contains a virus, the individual and the institute can be held liable.

By following the guidelines in this policy, one can minimize the legal risks involved in the use of email.

5. Legal Requirements

The following rules are to be strictly adhered to. It is prohibited to:

Send or forward emails containing libelous, defamatory, offensive, racist or obscene remarks. If you receive an email of this nature, you must promptly notify your supervisor.

- Forward a message with sensitive information without acquiring permission from the sender first.
- Send unsolicited email messages.
- Send email messages using another person's email account.
- Copy a message or attachment belonging to another user without permission of the originator.

6. Staying Safe

- Beware of viruses: Since the installation, one's personal device is liable to be infected by viruses, it is strongly recommended that one should not click on any link or open any attachments of unsolicited or suspicious looking emails. These messages could infect one's computer with a virus.
- Beware of phishing :Beware of an email from any sources such as a bank or any other institution which asks you to click a link and then prompts you to fill up details like your name, Date of Birth, Id number etc. Such mails can be malicious and may harm you once you have entered your personal data. Your mail id might have been obtained from social media sites (e.g.Facebook).

It is advised not to click links of such mails or enter details. Instead visit the proper website of your bank or other institution and interact with them directly. You should visit the official website of your bank (or other institutions) by typing the URL in the web browser. Seek help or call the IT dept in case such mails are coming in large numbers to you.

- Best practices: BIMTECH considers email as an important means of communication and recognizes the importance of proper email content in conveying a professional image. Users should take the same care in drafting an email as they would for any other communication. Therefore, the institute wishes users to adhere to the following email guidelines:

- **Writing E-mails**

- Write well-structured emails and use short, descriptive subjects.
 - BIMTECH email style is informal. This means that sentences can be short and to the point. You can start your email with 'Hi', or 'Dear', and the name of the person. Messages can be ended with 'Best Regards'. The use of Internet abbreviations and characters such as smileys, however, is not encouraged.
 - Signatures must include your name, job title and institute name. A disclaimer will be added underneath your signature (see Disclaimer below)
 - Users must spell check all mails prior to transmission.
 - Do not send unnecessary attachments. Compress attachments larger than 5 MB before sending them.
 - If you need to send files of over 10 MB, do not send these via email; contact your Administrator to find alternate methods for sending the files.
 - Do not write emails in capitals.
 - Do not use cc: or bcc: fields to send a mailing to multiple recipients. Instead, use institute designated mail merge software.
 - Only send emails of which the content could be displayed on a public notice board. If they cannot be displayed publicly in their current state, consider rephrasing the email, using other means of communication, or protecting information by using a password (see confidential).
 - Only mark emails as important if they really are important.
- **Newsgroups** : Users need to request permission from their supervisor before subscribing to a newsletter or newsgroup.
 - **Maintenance** : Delete any email messages that you do not need to have a copy of, and set your email client to automatically empty your 'deleted items' on closing.
 - **Personal Use** : Although the institute's email system is meant for business use, BIMTECH allows limited personal usage if it is reasonable and does not interfere with work. However, the sending of chain letters, junk mail, jokes, and executables is prohibited. All messages distributed via the institute's email system are institute's property.
 - **Confidential Information** : Do not send any confidential information via email. If you need to send confidential information, check with your supervisor for safe methods.

- **Passwords** : Use a combination of words, numbers and special characters for passwords. All passwords must be made known to the institute. The use of passwords to gain access to the computer system or to secure specific files does not provide users with an expectation of privacy in the respective system or document.
- **Encryption** : Users may not encrypt any email without obtaining written permission from their supervisor. If approved, the encryption key(s) must be made known to the institute.
- **E-mail Retention** : For email retention guidelines, refer to the institute's email retention policy.
- **E-mail Accounts** : All email accounts maintained on our email systems are property of the institute. Passwords should not be given to other people and should be changed once a month. Email accounts not used for 60 days will be deactivated and possibly deleted.
- **System Monitoring** : Users expressly waive any right of privacy in anything they create, store, send or receive on the institute's computer system. The institute can, but is not obliged to, monitor emails without prior notification. If there is evidence that you are not adhering to the guidelines set out in this policy, the institute reserves the right to take disciplinary action, including termination and/or legal action.

Disclaimer

The following disclaimer will be added to each outgoing email:

'This email and any files transmitted with it are confidential and intended solely for the use of the individual or entity to whom they are addressed. If you have received this email in error please notify the system manager. Please note that any views or opinions presented in this email are solely those of the author and do not necessarily represent those of the institute. Finally, the recipient should check this email and any attachments for the presence of viruses. The institute accepts no liability for any damage caused by any virus transmitted by this email.'

Questions

In case one has any questions or comments about this Email policy, he may contact IT department. else it is assumed that one has understood the rules and guidelines in this Email policy and agree to adhere to them.

14. Social Media Policy of BIMTECH

BIMTECH recognizes and embraces the power of social media, and the opportunity these tools provide to communicate with the BIMTECH community, including students, faculty, staff, parents, alumni, and other interested parties.

This policy provides guidance and applies to all use of social media by BIMTECH students, faculty and staff to represent or discuss matters concerning the institute and/or members of the BIMTECH community, whether or not such use involves the Institute's network or other computer resources.

It is important to recognize that the use of social media at BIMTECH or concerning BIMTECH is governed by the same laws, policies, rules of conduct and etiquette that apply to all other activities at or concerning BIMTECH. Even activities of a private nature conducted away from the Institute can subject you to disciplinary action if they reflect poorly on the Institute or interfere with the conduct of Institute's functioning and reputation.

USAGE GUIDELINES

Rules for Posting to Social Media Sites

1. When posting to any social media site, communicating with members of the BIMTECH community, or discussing the Institute on any website, even through your personal account or using your own phone, computer or other device without using the Institute's network or equipment remember that laws and BIMTECH policies governing inappropriate conduct such as sexual (or other) harassment, bullying, discrimination, defamation, infringement of copyright and trademark rights, and unauthorized disclosure of confidential and private information apply to communications by BIMTECH students, faculty and staff through social media as well.
2. If endorsing BIMTECH, accurately disclose your relationship to the Institute.
3. When using BIMTECH sites or acting within the scope of your Institute's responsibilities, you may only endorse BIMTECH, its programs, or its services if you have been authorized to do so by the Institute. Carefully consider the accuracy, clarity and tone of your comments before posting them.
4. Posts on social media sites should protect BIMTECH's institutional voice by remaining professional in tone and in good taste.

5. Do sign your post with your real name and indicate your relationship to BIMTECH. Do not use pseudonyms or post anonymously.
6. Do respect the views of others, even if you disagree.
7. Do obey the "Terms of Service" of any social media site or platform in which you participate.
8. Do not use social media to harass, threaten, insult, defame or bully another person or entity; to violate any Institute policy; or to engage in any unlawful act, including but not limited to gambling, identity theft or other types of crimes or fraud.
9. Do not post or store content that is obscene, pornographic, defamatory, racist, excessively violent, harassing, threatening, bullying or otherwise objectionable or injurious. In addition, do not attempt to compromise the security of any BIMTECH social media site or use such site to operate an illegal lottery, gambling operation, or other illegal venture.
10. Do not post copyrighted content (such as text, video, graphics or sound files) without permission from the holder of the copyright. Remember, even information that is widely available to the public (such as text, photographs, or other material posted on the Internet) may be subject to copyright restrictions that prohibit unauthorized duplication or dissemination.
11. Do not use the BIMTECH name, logo or trademarks for promotional announcements, advertising, product-related press releases or other commercial use, or to promote a product, cause, or political party or candidate.
12. Do not disclose confidential institute information, non-public strategies, student records, or personal information concerning (past or present) members of the BIMTECH community without proper authorization.
13. Do not make false claims or representations about BIMTECH programs or services, and do not speculate or guess if you do not know the information.
14. Do not spread gossip, rumours, or other unverified information. Furthermore, do not assume that everything posted on a social media site is true.
15. Do not spend excessive time using social media for personal purposes during working hours or use any BIMTECH social media sites, networks, equipment or peripherals for unauthorized commercial purposes.
16. Do not transmit chain letters, junk email, or bulk communications.
17. Do not be rude or argumentative, or use inappropriate language. Avoid negative exchanges.

18. Do not be careless with spelling or syntax, or use language that may easily be misunderstood.
19. Do not represent your personal opinions as institutionally endorsed by BIMTECH. If you are not authorized to post specific content on behalf of the Institute, then the following disclaimer should appear in your post: "These are my personal opinions and do not reflect the views of BIMTECH."
20. Do not attempt to mask your identity or attribute your comments to another person (real or fictitious).
21. Do not insult, disparage, disrespect or defame the Institute or members of the BIMTECH community.

BIMTECH is not responsible for monitoring or pre-screening content posted on its social media sites. Notwithstanding the foregoing, reserves the right to monitor its sites and remove, without notice, any content that BIMTECH determines to be harmful, offensive, commercial in nature, or otherwise in violation of law or this policy.

If you become aware of objectionable content posted on a BIMTECH social media or objectionable comments concerning the Institute that are posted on an unaffiliated site please notify the Director promptly.

BIMTECH is aware that members of the BIMTECH community may wish to express their personal ideas and opinions through private social media that are not administered by the Institute.

Nevertheless, BIMTECH reserves the right, under circumstances it deems appropriate and subject to applicable laws and regulations, to impose disciplinary measures, up to and including dismissal from the Institution or termination of employment, upon students, faculty, or staff who use private social media sites or communications resources in violation of the usage guidelines in this policy or in ways that reflect poorly on the Institute or are deemed to interfere with the conduct of Institute's functioning.

In appropriate cases, such conduct may also be reported to law enforcement authorities.

Core Values

1. CSR Initiatives and Students' Development

At BIMTECH, our commitment to good governance, ethical conduct and social responsibility is core to our way of doing business and is strongly aligned with our drive to create and increase value for all stakeholders.

All the above activities related to CSR are undertaken under the BIMTECH sponsored and supported NGO "Ranganathan Society for Library Development-BIMTECH Foundation", with very active involvement and engagement of students, under the able guidance and mentoring by a senior faculty member, and the patronage of the head of the institution and the Board of Governors.

As a part of this, BIMTECH is continuously undertaking CSR activities as follows:

- **Harnessing the Power of Education in Jails** : Realising the fact that education is the basic foundation for developing responsible citizens, BIMTECH has identified hitherto unattended areas, like jails. With the active participation of the state authorities, BIMTECH has established three libraries in jails at Dasna (Ghaziabad), Noida and Lucknow Central Jail.
- **Providing Education to Underprivileged Classes** : BIMTECH has adopted a primary school "Jatan Sansthan" in Muradnagar, U.P. The institute provides financial support, library facility and a faculty as a mentor. Many of the alumni of BIMTECH are also associated with the running of the school.
- **Creating Rural Libraries** : Understanding the need for education for the rural masses, BIMTECH has established a total of 10 rural libraries in the state of Uttar Pradesh.
- **Annual Vastradan Events** : As most of the students, faculty and staff members have periodic surplus clothes, the same are collected periodically and distributed to underprivileged classes of society.
- **Organising Blood Donation Camps** : The institute organises annual Blood Donation camps, where all the students, staff and faculty members contribute to the noble cause.
- **Serving the Underserved Population** : In deserving cases, BIMTECH provides financial support to underprivileged classes, by way of concessional tuition fee, subsidised hostel facilities, etc.

Many other social events and activities are organised such as Health check up

camps for construction workers, participation in Swatch Bharat Abhiyan, developing green campus through the United Friends of Earth (UFE) club, etc.

2. Gender Equality

a. Vividha

For Gender Justice and Diversity Promotion, the institute has created a special committee under the name of "Vividha". The committee comprises senior faculty members to address the issues relating to any kind of harassment or mistreatment. For the security of the female students, special and exclusive hostels with female wardens are provided.

b. RAINBOW Centre for Women Career Counselling & Guidance

RAINBOW Centre for Women Career Counselling & Guidance at BIMTECH is for capacity building and counselling of Institutes' female students, alumni and industry workforce as well as other social groups. This centre is developed as one of the outcomes of RAINBOW Project co-funded by Erasmus+ programme of the European Union and with support of all partner universities of the project. The Centre aims to engage with students, alumni and outside stakeholders for research, counselling and support to young women's career planning and capacity building. Its main objectives include developing capabilities in research and advisory in the domain, creating capabilities to offer consulting, training and courses/modules to industry, NGOs or other stakeholders, designing and implementing an applicable framework for outreach and partnership in the domain and creating and developing awareness programmes and events as well as delivering institutional responsibilities on new courses, compliance and processes.

The Head of the Centre, Prof. Himanshi Tiwari, and Mentor Dr. Rahul Singh along with a dedicated team of representatives from Alumni Cell, Centre for Corporate Relations, PGDM & PGDM (IB) Program and Admission Office is committed for achieving envisioned goals and objectives. For more details please visit <http://projectrainbow.in>.

Life @ BIMTECH

1. Residential Life-Hostel Rules and Regulations

All the programmes at BIMTECH are residential and all students are required to compulsorily stay in the hostel. It is the prerogative of institute authorities to allot rooms to students in any hostel deemed fit. The rooms can be single or double occupancy. The hostel rooms are spacious and well-furnished. The hostels also have sports and other recreational facilities. The rules written below will be followed by all male / female students residing in the hostel. Violation of any of these rules will make students liable for disciplinary action, including expulsion from the hostel and, may be, from the Institute. Due to the limited number of hostel accommodations available in the main campus, the room will be allotted to the IInd year male students on the basis of merit. The list will be prepared as per their CGPA scores in first year (combined result of three trimesters). It will be in proportion to the number of students in each programme.

a. General

1. Every student would stay in the accommodation allotted to him / her by the Institute authorities. He / she will not be allowed to change the accommodation once allotted.
2. Students will be personally and collectively responsible for any loss or damage to the hostel furniture or other fittings in all the common facilities and areas in the hostel.
3. Use of electrical appliances like heaters, hotplates, irons etc. in the hostel rooms is prohibited.
4. Students must not keep valuables in their rooms. They should lock their rooms properly when they go out for bath, etc.
5. A student himself/herself is responsible for all his/her belongings. The Institute will not be responsible for any loss incurred due to his/her negligence or any other reason whatsoever.
6. Employment of a private servant is not allowed in the hostel.

The timings are announced from time to time depending upon the requirement.

For students' safety, the speed monitor has been fixed in both Institute bus and the speed limit is controlled at 40 to 45 kms per hour.

4. Students' Conduit

The student body called CONDUIT comprises members from eight committees. Apart from the Conduit Committees, there are many student clubs which organize various co-curricular and extra-curricular events on campus. In addition to the Conduits and Clubs, there are class representatives of the various programmes and a Student Placement Committee.

To provide opportunity to a maximum number of students, the membership of clubs and committees is restricted. A student can apply for any two Conduit Committees, and on being selected, can be a member of only one. They can either become members of a maximum of two clubs or one committee and one club.

Every faculty mentor of committees and clubs has to submit a detail of planned activities and events to be held throughout the year with budget. The budget should include all direct and indirect expenses such as prizes, taxi hires, use of institute's cars, snacks, etc. Funds for expenses can be drawn only after the approval of the budget.

a. Committees

1. Alumni Committee is responsible for maintaining links with an active base of over 6000 alumni, who contribute to the institute's placement and corporate relations activity. Students get a opportunity to interact with the alumni and get insights into the functioning of the corporate world.
2. Cultural Committee is in charge of organizing and conducting various cultural events on campus. The events organized and festivals celebrated are: Samanvay, Pratibha, Freshers' Function, Janmashtami, Diwali, Christmas, New Year, Lohri, Saraswati Puja and Farewell Party. These events include song and dance competitions, fashion show, fêtes, music recitals and mimicry.
3. Editorial Committee is responsible for writing, compiling and editing the articles about the various activities happening in the Institute and the laurels achieved in various spheres. This committee works to publish the institute's newsletter- 'Vrittant' on a regular basis which is shared with the industry, collaborating foreign educational institutes and students. This committee also prepares the stories for BIMTECH's web page.
4. Food Committee members see to it that the quality and variety of food served in the mess is not only of acceptable quality and tasty, but also nutritious. They prepare the monthly menu as well as special menus for festivals and events in consultation with the students and the Mess Manager. The committee also organises events based on food themes.
5. International Affairs Committee builds awareness about global opportunities; promotes the activities for BIMTECH exchange incoming and outgoing students; language and cultural resource team for incoming students; buddy program for incoming exchange students; and organizes international days / cultural programmes, etc.
6. Media Committee is basically the touch point for the interaction with the members of the various media organizations, who are invited on a regular basis whenever there is any event organized by the Institute. Its members are trained to deal with the media persons and to write press releases.
7. Sports Committee is primarily involved in organizing on-campus sports events, maintaining sports and gym equipments and coming up with

suggestions as to the new requirements and sports needs of the students. They are also entrusted with the responsibility of organizing yoga camps on campus. The members will oversee and organize events for three clubs under its wing: 22 Yards Cricket Club, Born to Paddle - Cycle Club and Foot and Boot.

The motto of the Foot and Boot club is to organize regular football events like, Inter B School Futsal, Inter Department etc. Liga De BIMTECH is the main attractions of this club which leads to developing managerial skills of the young minds.

22 yards Cricket Club is mainly formed to promote cricket activities in the college premises. BIMTECH Premier League (BPL), Women's Cricket and Inter-department matches are the main events of this club. BPL is the only sports event in which students and faculty are equally involved.

BIMTECH is highly concerned about the wholesome development of the students. For the sake of maintaining the fitness of students, BIMTECH Cycle Club organizes short and long distance cycle rides on every weekend and also organizes Cyclothon on every important occasion of BIMTECH such as Foundation day, Independence Day, Republic day, etc. This club is also working for Corporate Rides and Tour de Greater Noida for spreading awareness on pollution free environment along with positive health.

8. Valmor Committee members act as monitors and maintain overall discipline on campus throughout the year. They are in charge of regulating and enforcing the in and out timings of students from the campus and in the hostels. They are also responsible for implementing the acceptable dress code within the academic block, summer and winter wear, etc.

b. Clubs

To facilitate the multi-pronged acquisition of knowledge and the honing of skills in communication and self-expression, BIMTECH provides many opportunities for students to be part of the following Clubs.

The Clubs are active and vibrant, enjoying wide patronage among students:

1. **BIZMARK**, the core marketing club of BIMTECH, simulates marketing scenarios and gives students much needed practical exposure while keeping them au courant with the latest developments in the field of Marketing. The

club endeavours to bring industry close to the student community and makes its own unique contribution towards transforming a Marketing student into a full-fledged Marketer.

2. **E-Cell** - How to be a successful entrepreneur in the dynamic, fast-moving and risky business environment of today is the main theme of the events conducted by "Entrepreneur", the E-cell @ BIMTECH. This cell is the result of BIMTECHians' never ending enthusiasm and National Entrepreneurship Network's commitment to developing an entrepreneurial eco-system. This club is working in collaboration with 'Centre for Innovation and Entrepreneurship Development', a board of faculty working in the related areas.
3. **FinWiz Club**: The objective of the club is to bring interested students to scratch on the concerns of today's finance professional and the issues to tackle while on the job, through active participation in the events organized by the club. The activities of the finance club include organizing quizzes, debates, seminars, guest speakers, simulations, field visits, inter-institute competitions, etc. on contemporary concerns that confront the business world.
4. **INMOS** (Insurance Movers and Shakers) - A forum on BIMTECH Facebook page for exchanging academic and personal inputs by insurance students. INMOS is very vibrant with the insurance news – official and personal – of insurance students and faculty contributing to the building up of the domain competence and skills of insurance students. The Page currently invites traffic of 1500 members.
5. **Majlis** is the debating and theatre society of BIMTECH. Started in 2008, Majlis has become one of the most popular clubs in BIMTECH. Its mission is to provide to the students of BIMTECH as well as other B-Schools, a platform for public speaking so that they learn to shun stage fright and become efficient speakers. Competitions like group discussion, debate, panel discussion, mock parliament, theatre, JAM, and extempore are organized by Majlis on a regular basis.
6. **ECO-Chamber** is the Economics Club of BIMTECH, which is active in organizing debates, guest lectures and panel discussions on current Economics topics.

7. **Noesis** is the gaming club of BIMTECH and it conducts various competitions which seek to combine relaxation with learning.
8. **Palette**, BIMTECH's Art Society, has been constituted with the objective of identifying, encouraging and nurturing creative talents amongst students through arts like painting, sketching, rangoli, poster making and creative crafts like Best out of Waste.
9. **QCB** (Quiz Crazy BIMTECHians) is one of the foremost quizzing clubs among management institutes across the country. Cognicion the "crown jewel" of QCB is held annually where top institutes from North India and corporate come to battle it out for the top prizes. As one of the most prestigious clubs of this Institute, it aims to establish BIMTECH as a quizzing powerhouse nationally.
10. **Retrospective**: The Photography Club inculcates into the students the hobby of photography to the level of excellence. The Club organizes workshops, competitions, exhibitions, etc. within BIMTECH and at Inter B-School levels.
11. **Retailia** or Retail Club was formed with a purpose of sharing new developments in retail, updating the knowledge in retail and the various career options, organizing retail seminars to create awareness and recognition for BIMTECH retail brand.

c. Class Representatives

Each section of each class has four class representatives/prefects (two girls and two boys). They monitor the class and coordinate with the faculty and supporting staff in properly organizing classes, i.e. informing students about any extra classes or guest lectures that are announced within a short duration, arranging for the logistics, etc.

d. Placement Committee

Placement committee is responsible for calling up companies from the Centre for Corporate Relations (CCR) Department out of the list which has been made available to them, to ascertain the names of companies intending to recruit, possible dates etc. Follow up work is also to be done by Placecom team.

The team members validate telephone numbers of key personnel in HR departments of companies, who are concerned with campus placement, and establish contact with them.

They would also assist in escort duties for visiting recruiters and make necessary arrangements for the processes in the campus.
