Campus Recruitment details
Mission of Team CCR

To ensure the best possible placement and training outcomes for BIMTECH students consistent with their preferences and choices...
Dear Recruiters,

The Fourth Industrial Revolution is here. The driving force for this revolution of course is the accelerated technological growth, IoT, A.I, etc. This time, the machines are not content to remain just machines, but are encouraged to have a brain and mind of their own! With such a scenario developing all around us, academic inputs to managerial students are also in for a massive upgrade. Especially, when we have a long tradition of 30 years working closely with industry to meet their needs and requirements.

A faculty strength of 65, most of them having in-depth industry experience, are working closely with students in their two years sojourn in our campus, often connecting them with industry resources. As we have a very thriving MDP arm, industry connect has never been an issue for us. Besides, we spend a whole day, sometime in the month of April or May, each year, in brainstorming sessions with decision makers of industry getting their views on what’s trending in the knowledge and skill areas. We get to tweak our curriculum for all the courses, each year.

Extra certification in diverse areas of quality control (KPMG), Business Analysis (IIBA, Canada), and a host of other extra certification initiatives have been a part of our academic delivery since long. We are also integrating relevant MDOO comes with our curriculum. Almost every student gets to complete a couple of short term projects, besides fulfilling a three month long summer internship. Our LYCEUM master class platform for students brings them in close proximity with thought leaders in business and industry while presenting papers before them for appraisal as part of skill development.

However, it’s not all work and no play. We have scores of clubs, cultural and sports activities lined up for students developing their all-round personality.

BIMTECH is proud to have been producing industry-ready would be managers for the past three decades, who are trained to take holistic views. Many of our alumni are occupying senior positions of responsibility in corporates.

It gives me a great pleasure to invite you to the BIMTECH Greater Noida campus for a meaningful interaction with our students and faculty during the current academic year.

Dr. H. Chaturvedi
Director
The Birla Institute of Management Technology (BIMTECH) was established in 1988 under the aegis of the Birla Academy of Art and Culture. The Institute is supported by the B. K. Birla Group of Institutions. Late Dr. (Smt.) Sarala Birla, Chairperson of Birla Academy and Syt. B K Birla, Chairperson of the B K Birla Group of companies are the founders of our business school. The Institute is governed by an eminent Board of Governors mostly drawn from the top echelons of industry. The fully residential campus of the Birla Institute of Management Technology (BIMTECH) is located in Greater Noida, in the National Capital Region (NCR). Its ambience is predominantly green. It has an enviable infrastructure fully connected with Wi-Fi facility.

The student strength in the first year is 420 and in the final year is 420 for the academic year 2017-18. 65 faculty members with brilliant academic and industry track record are engaging the students. Their efforts are supplemented by inputs from guest faculty serving the industry in senior positions working in manufacturing, trading, financials, operations etc. Five bright young research fellows are active in carrying out vital research on industry relevant issues, while assisting in teaching.
The academic pursuits of students are fully supported by a modern, well-stocked library and fourteen state of the art databases. BIMTECH has international academic tie ups with several leading European, American and Asian centres of management education, under which there is a regular exchange of students and faculty.

BIMTECH offers two year AICTE approved post-graduate courses in general management (PGDM), international business (PGDM International Business), insurance business (PGDM Insurance Business Management) and retail management (PGDM Retail Management).

The Centre for Research Studies conducts doctoral programs and academic and industry focused researches. It has been one of the earliest centres of its kind in private business schools in the country. The Ph.D. programme is offered in collaboration with University of Mysore and Mohan Lal Sukhadia University, Udaipur.

The Birla Institute of Management Technology also offers an AICTE approved Fellow Programme in Management (FPM) and Executive Fellow Programme in Management (EFPM) with the objective to groom talented young researchers to be transformed into innovative thinkers and real world solution providers, seeking opportunities in academics or industry. This programme is both academically rigorous as well as highly relevant to the need of today's globalized business.

BIMTECH has been able to establish strong industry linkages through its MDPs, Short Term & Live Projects with industry, Round Tables, Colloquiaums etc organized with industry and trade bodies.

The campus is a mini-India in itself. It has students and faculty hailing from almost all the states of India, and also from a few foreign countries. It is this mix of nationalities, cultural backgrounds, academic and professional experiences, which make BIMTECH one of the most exciting and happening business schools in India today.

OUR PRESENCE & PROMINENCE

It has always been our privilege to come up to the expectations of our various stakeholders. Those who acquire talents from us have a right to be reassured about the quality and calibre of BIITECH students on whom they are bestowing their confidence by recruiting them. From the following listing of our overall ranking position across the years, our presence and prominence vis-à-vis the other contemporary management institutes in the country would become crystal clear.

Accredited by NAAC (UGC) with A+ Grade
**BIMTECH's JOURNEY FOR AACSB ACCREDITATION**

For ensuring the students right in getting quality education and also for ensuring that the society gets trained and ethical managers BIMTECH started AACSB journey in Year 2015. Incidentally, the acronym AACSB stands for Association to Advance Collegiate Schools of Business. This is one of the three independent international accrediting agencies located in the USA. AACSB's mission is to foster engagement, accelerate innovation, and amplify impact in business education. AACSB has accredited so far 785 of the world's best business schools across 59 countries and territories. In India they have accredited only 56 B-schools so far.

In 2008, the PGDM programme was accredited by NBA, highest national accrediting agency the under the Ministry of HRD. The accreditation was renewed for a further period 5 years till 2020. We are also recognised by AIU that makes the PGDM diploma equivalent to MBA awarded by universities. In May 2017, NAAC accredited BIMTECH with A+ grade.

In line with BIMTECH’s commitment to offer high quality management programmes, it was decided, in the 2015, to go for AACSB accreditation. International accreditation is a rigorous and complex process; it takes 4 to 5 years to get an institute accredited. BIMTECH has completed three steps so far out of 6-step accreditation process. The eligibility application was approved in the first attempt. As a part of the accreditation process, AACSB has appointed renowned Dean of Sun Yat-sen Business School, Guangzhou, China as our mentor.

His visit to BIMTECH, in 2016, was highly meaningful in many ways. AACSB has completed one round of review of Initial Self-Evaluation Report in April 2017. We hope that the 4th Step will be completed by mid next year. The incremental benefit that AACSB accreditation provides to brand BIMTECH after recently got NAAC accreditation with A+ grade and NBA accreditation of two of our postgraduate it programmes are:-

1. Accredited institute gets international recognition
2. The accredited school is preferred by the recruiters and corporates in general
3. The faculty members gets opportunity to take up international research projects
4. Students get high quality of learning environment

As per AACSB, curriculum management and assurance of learning, in short AOL, is one of the important aspects of accreditation. Upon qualifying the programmes, the students need to have well defined knowledge areas and the desired skill-sets under global context. The students should acquire and develop communication skills; they should be able to work in team setting in an ethical manner. They should have ability to formulate business problem and provide possible solutions etc. Student should know what is expected out of them from a particular course and the programme. Students are assessed in a very transparent manner for the courses covered under AOL.

We are on our way to the aspirational goal.
In 2015 National Board of Accreditation, the highest domestic accrediting body had accredited two of our flagship programmes up to 2020. We have also initiated action for international accreditation for the whole institute during the same time with AACSB, USA.
The Institute offers varied programmes led by some of the most experienced academics in the country with strong industry credentials.

Centre for Business Management
It is the first and the oldest centre of the Institute, established in 1991 to meet the needs of research and education in management areas. The centre offers programmes which have won acclaim from academia and industry. Programme offered by the Centre:

Post Graduate Diploma in Management (PGDM)
- Two-Year, Full Time (Approved by AICTE, MHRD, Govt. of India)
- Accredited by the National Board of Accreditation, AICTE
- Recognized by the Association of Indian Universities (AIU) as equivalent to MBA
- Recognized by the Association of Common Wealth Universities (ACU)
- Students provided with opportunity to acquire certificate qualification from International Institute of Business Analysis (IIBA), Canada.

Centre for International Business and Policy
In this era of globalization, the demand for trained professionals in international business is increasing dramatically. Hence, for developing a competent cadre of business executives, BIMTECH offers a two-year full-time course in International Business with strong industry linkages. This programme is receiving recognition from the industry as one of the well-designed courses in International Business on offer.

Post Graduate Diploma in Management - International Business (PGDM-IB)
- Two-Year, Full Time (Approved by AICTE, MHRD, Govt. of India)
- Accredited by the National Board of Accreditation, AICTE
- Recognized by the Association of Indian Universities (AIU) as equivalent to MBA
- Students provided with opportunity to acquire certificate qualification from International Institute of Business Analysis (IIBA), Canada.

Centre for Insurance and Risk Management
This Centre was the first to offer full-time professional insurance education in the country and executive training in insurance and risk management. The centre prepares young professionals for managerial positions in insurance and risk management industry. The programme has been developed in consultation with industry leaders and is constantly reviewed in the context of the present and future needs of the insurance industry. LOMA (Life Office Management Association), USA is an educational partner of BIMTECH in the life insurance programmes. Programme offered by the Centre:

Post Graduate Diploma in Management - Insurance Business Management (PGDM-IBM) [With Technical Support from Swiss Re]
- Two-Year, Full Time (Approved by AICTE, MHRD, Govt. of India)
- Strategic partnership inputs from Swiss Re
- Dual qualification PG Diploma in Insurance from the Chartered Insurance Institute, UK (CII)
- Recognized by the Indian Insurance Institute as equivalent to the Associate of Insurance Institutes of India (AII)
- Significant support from LOMA, USA, CII (Chartered Insurance Institute), UK.
- Students provided with opportunity to acquire certificate qualification from International Institute of Business Analysis (IIBA), Canada.

Centre for Retail Management
The Centre offers full-time programme in Retail Management. It also conducts research projects and provides consultancy to new set-ups. The Centre is a pioneer in publishing the first research journal of the country, Indian Retail Review, devoted to retail researches. Programme offered by the Centre:

Post Graduate Diploma in Management - Retail Management (PGDM-RM)
- Two-Year, Full Time (Approved by AICTE, MHRD, Govt. of India)
- Students provided with opportunity to acquire certificate qualification from International Institute of Business Analysis (IIBA), Canada.
ACADEMIC DEPARTMENTS AND PROGRAMMES
The Institute offers varied programmes directed by some of the most experienced academics in the country with strong industry credentials.

**Centre for Research Studies**
The centre conducts doctoral & post-doctoral programmes and academic & industry research. It has been one of the earliest centres of its kind in private business schools in the country. 42 research scholars have acquired their Ph.Ds through the centre. The programme is offered in collaboration with University of Mysore, Karnataka and MohanlalSukhadia University, Udaipur, Rajasthan.
- Fellow Programme in Management (FPM)
- Executive Fellow Programme in Management (EPPM)

**Centre for Public Policy (CPP)**
The India Centre for Public Policy (CPP), acting as academic centre and think tank, aims to create advocacy and workforce leading to public policy, sustainable development and inclusive growth in the country.
One of its objectives is to conduct action research in the areas and provide policy inputs to national and international policy institutions and governments, public and private sector organizations, donor agencies and international and national NGOs.

**Centre for Innovation and Entrepreneurship Development (CIED)**
This Centre of BIMTECH has been established to promote entrepreneurship. It also guides the students' body "Entrepreneurship Cell" (E-Cell). The overall objective of CIED is to develop an entrepreneurial ecosystem to nurture students, alumni, faculty and the surrounding community. It helps students, entrepreneurs and aspiring entrepreneurs on ideation, feasibility analysis, business modeling and mentoring.

**Centre for Management Development & Consultancy (CMDC)**
Centre for management development and consultancy aims to create a training base which engages in management advocacy for general management and human resource development and aligns itself with the human resource practices, experiences with training and capability enhancement. Programs for the business houses and conglomerates, to develop professionals leading to increased output and productivity.

Marching towards inclusive growth, One of the prime objectives of Centre for Management Development at BIMTECH is to conduct training in various functional areas of management to provide quality inputs to national and international conglomerates, government, public and private sector organizations, donor agencies and international and national NGOs.

**Centre for Management Case development (CMCD)**
BIMTECH realizes the need to create knowledge in various domains of management and business. In fulfillment of objectives as enshrined in its Mission, in its quest for continued excellence and research orientation in management education, and in its endeavour to be a partner in spread of knowledge, BIMTECH has established Centre for Management Case Development (CMCD). One of the objectives of the Centre for Management Cases Development is to promote development of high quality teaching cases as instrument of facilitate teaching for academics, and to add to practical knowledge of consultants, practitioners and management developers.

**Centre for Corporate Relations**
A dedicated team of Chairperson, Vice Chairperson, two managers and one assistant manager are engaged in augmenting opportunities for students in targeting and achieving preferred career choices and challenging final placements and summer internship projects (SIP).

These efforts are supplemented by a faculty team of 14 and student team of 32 who focus on maintaining long term relationship with corporates in India and abroad. Providing one window service outlet striving to build close mutually beneficial relations with corporates for promoting industry-academia interface.

Working in tandem with corporates and students to ensure value added summer internship and short term projects. Arranges training facilities in the area of soft skills, arranging workshops, seminars, colloquia, competitions etc. to enhance the experiential ambience of industry to students. Promotes extra-certifications acquisition by students through Coursera, edX, XED, KPMG Six Sigma Lean Green Belt, IIBA(Canada)Certificate etc.
INFRASTRUCTURE AND RESOURCES
Amenities
- Fully residential, wired and centrally air-conditioned campus with state-of-the-art infrastructure.
- Fully Wi-Fi enabled campus.
- Video-Conferencing facility.
- U-shaped lecture theaters well equipped with audio-visual aids to facilitate interaction between the faculty member and the young managers.
- Two computer labs with 100 terminals connected through 100 Mbps LAN with round-the-clock internet connectivity.
- Two storey, circular library with a capacity to accommodate 200 scholars at any given time.

Campus
- Centrally Air Conditioned Campus
- Wi-Fi Residential Campus
- Library with Hard and Soft Forms of Academic Inputs
- Audio/Video Library
- Accommodation for 840 Students, Faculty & Staff
- Games & Sports Arena
- Vibrant Student Clubs
- Music Hub
- Health, Postal and Banking Facilities
- Food and Catering Services
- CafeBimtech
Library

- The library has over 75,000 books & journals on various aspects of business, economics and other functional subjects like marketing, finance, etc. Supplemented by encyclopedias, handbooks and manuals, multimedia CDs and videocassettes. The library subscribes to 14 newspapers, 157 national & international journals and 13258 online journals.
- There is a separate audio library section. Besides students have access to international and Indian databases EBSCO, Prowess, Proquest, CRISIL, EUROMONITOR, indiatat, DELNET etc.
- Excellent air conditioned residential facilities for all students, 30 faculty members, staff and guests with a mess facility and cafeteria offering multicuisine food.
- Indoor and outdoor sports facilities and a modern, well equipped gymnasium. 24 hour Healthcare Centre to ensure total well being of all on the premises.

Online Resources

- Member of DELNET which provides ready access to libraries of leading institutions of the national capital region.
- Member of EBSCO web-based electronic journals database, which allows access to over 7100 international journals of repute and other online resources like ProQuest and Prowess.
- Specialized software for data related to industries and economics such as CRISIL, available in the library. Provides support and research material to faculty and students.
- Upgraded with the OPAC (Online Public Access Catalogue), which enables electronic transfer and search of available library resources.
- OLT software for online testing of various academic examinations.

Publications

- BIMTECH publishes an academic journal/newsletter.
- BUSINESS PERSPECTIVE which carries refereed papers on Management subjects and is published bi-annually.
- TATTVA - Student Research Journal
- South Asian Journal of Business and Management Cases
- VRIANT - BIMTECH Newsletter, which captures the multifarious happenings in the campus, is published quarterly.
Faculty is the beacon light of any higher educational institution. We feel gratified that BIMTECH students are being enlightened and guided by the best brains in the business across all streams. The Gurus of BIMTECH are a fine blend of industry experience stretching into decades and possess proven academic excellence.

At BIMTECH, you are always in a cognitive environment; your endeavour to become successful business leaders will be honed well under the able and benevolent guidance provided by our professors as mentors, who are deeply engaged in research and consultancy. The experiential learning here brings their industry and research experience into the classroom. Every faculty acts as an entrepreneur for the academic and non-academic activities. The team of faculty members at BIMTECH with experience in Indian and international educational and industry systems, is devoted to high-quality academic learning. The academic conferences, seminars, workshops and colloquia organized by the Institute present the academic and industry views upfront and help in experience sharing. These activities also provide a direction for further research and study. The faculty also act as mentors of various student clubs promoting quizzing, public speaking, gaming etc. besides academic clubs attached to insurance, marketing, finance etc.

Prof. Sumit Gulati  
Assistant Professor (Finance), Author and Corporate Freelance Trainer
ACADEMIC LEARNING & PEDAGOGY

Learning starts with the study group formation of the students for the duration of their stay on the campus. The formation of the group is self-done on the basis of the chemistry of social life, culture, academic background and work experience. The student committee is drawn from all parts of India and some foreign countries. They share ideas, thoughts, culture, and personal experience. This makes their stay enriching.

BIMTECH gives high priority to inviting industry mentors to the campus for making business education more hands on and relevant. The class room guidance, with the combination of direction from tenured professors, external industry experts and project experience prepares a candidate on the fundamentals as well as industry practices simultaneously.

Pedagogy
Teaching methodology is a combination of case based method and lectures with high focus on collaborative & self-learning and hands on industry practice.

Teaching of each subject is carried out as per detailed course plan designed in accordance with the syllabus and well defined course & programme objectives.

Each course comprises case studies, assignments, presentations, working exercises, quizzes and group discussion on current issues.

The evaluation is based on continuous internal assessment and end-term examination.

Simulation, management games, role play and other teaching techniques are used in the classroom for greater effectiveness.

Current affairs, general awareness and ethical practices are embedded in all modules.

INTERNATIONAL & NATIONAL ALLIANCES

BIMTECH has collaboration with leading B schools from all parts of the world who correspondingly promote the exchange programme. At BIMTECH the International exchange programme for students and faculties is quite engaging. In this era, global connections are important from all facets of student and faculty growth. We trust that fruitful ideas come from crossing traditional boundaries and so we promote: Student Exchange; Faculty Exchange; Partnership with International Universities and organizations; Research projects for students; Research sharing and collaboration; Joint Certificate Programmes; Dual Degree Programmes; Emerging Market Programmes; Joint Seminars; Global Management Guru Award and other academic activities to enhance the graduation experience.

Student Exchange and International Scholarships
In 2015-17, BIMTECH received 38 students from partners in France, Germany, Colombia and Spain. 29 students went abroad on exchange programme and internships to Austria, France, Poland and South Korea.

International Scholarships
BIMTECH received ERASMUS+ Mobility Grant which enabled to Priyasharda and Shalika Singh, student of FGDIM-IB (2016-18) to study a term at Kozminski University, Poland.

FDP by International Faculty
Mr. Sanjeev Roy, Senior Higher Education Expert, EU Public Diplomacy and Outreach In India
Dr. Sunil Mithas, Professor, University of Maryland, USA
Prof. Trevor Williamson, Principal Lecturer, Manchester Metropolitan University Business School, UK

EU - UNIQUE Centre @ BIMTECH
EU UNIQUE Centre at BIMTECH is established as an outcome of the UNIQUE project funded by the European Union. The Center is resource centre for Information on European Higher Education Institutes.

Faculty Exchange
Distinguished academicians and international experts often visit BIMTECH. Some of the notable ones were: Prof. Jodie Lynn Fense, University of Indianapolis, USA; Prof. D.K. Malhotra, Philadelphia University, USA; Prof. Rashmi Malhotra, Saint Joseph's University, USA; Prof. Anil Ahluwalia, Westford School of Business, UAE; Dr. Satwinder Singh, Brunel University, UK; Prof. C.S. Lalwani, University of Hull, UK; Prof. Belinda Bell, Professor, Cambridge University, USA; Prof. Christa Heidinger, FH Joanneum, Austria.

POST GRADUATE DIPLOMA IN MANAGEMENT

PGDM has been the earliest programme initiated by the Institute to meet the needs of industry and organizations. The programme has been approved by the All India Council for Technical Education (AICTE) in 1993 and since then it has earned its reputation in the corporate world. This course enjoys NBA accreditation.

The PGDM course of BIMTECH has also been accredited by the Association Indian Universities (AIU) for equivalence with MBA. The course is also recognized by the Association of Commonwealth Universities (ACU), UK.

CAT scores obtained by students are used for screening more than 10,000 applications each year. Thereafter, the Essay/GD/Personal Interview process is conducted with the support of senior corporate managers to select students for the programme.

Being an autonomous programme, PGDM is conducted in close association with the industry. Right from the admission of the students to the designing the curriculum and providing opportunities for short term projects, summer internship and final placement, they are our partners. The rigorous regime inculcates in the participants the ability to work under pressure, multi tasking, besides giving them a strong academic base. Wading through case studies, industry connects, guest lectures, presentations and assignments, students also learn time management, which is an essential requirement for being a successful manager.

The programme is spread over six trimesters with a three months’ mandatory summer internship assignment between the first and second year. In addition, students complete 2-3 short term projects as well as online live projects. Marketing, Finance, HR or Operations is offered as a specialization.

Students are exposed to the corporate world through BIMTECH’s industry-academia interface, seminars, special guest lectures, workshops, summer internship of three months and short term projects, all of which are a part of the course design and has to be compulsorily taken up by the students. Live projects and industrial visits which are jointly guided by the industry managers and faculty develop students’ understanding of modern business processes and practices.

POST GRADUATE DIPLOMA IN MANAGEMENT

INTERNATIONAL BUSINESS

In an era where all businesses are global, the gradual integration of Indian economy with the global economy is now an irreversible process. This calls for professionals who are well equipped to handle the demands on industry in leading their businesses towards this direction successfully.

The PGDM (IB) programme has been approved by the All India Council for Technical Education (AICTE). It has been granted NBA accreditation and has also been accredited by the Association Indian Universities (AIU) for equivalence with MBA.

The International Business programme in BIMTECH strives to prepare students for a successful and rewarding career in the field of international business and groom them so that they eventually develop into credible international business professionals.

The course content and the activities have been so designed as to help students understand the complexities of international business operations and equip them with the knowledge base to deal with these complexities. Students are also trained on identifying opportunities in the area of International business and explore them. Mandatory study visits to national/international ports/airports is an integral part of the course.

The International Business programme is spread over six trimesters to impart the ability and skill to communicate, analyze business situations and take decisions. The course has a mandatory three months summer internship assignment between the first and second year. In addition, students complete 2-3 short term projects as well as online live projects.

The programme offers optional specialization in three areas: Marketing, Finance or Operations.

The aim of the Centre for Risk Management and Insurance (CIRM) of BIMTECH is to turn out insurance management executives who can, so to say, hit the track running in the insurance industry. This two-year programme has the approval of AICTE like other BIMTECH programmes.

To achieve this objective, we offer cutting edge curricula. Among the recently introduced changes are a course on business analysis, study of advanced risk management (including enterprise risk management), glimpses of world insurance, micro finance, micro insurance and micro health insurance. This is, of course, besides the conventional insurance subjects both in life and non-life, as well as health insurance and reinsurance. The course is spread over six trimesters with a three months’ mandatory summer internship assignment between the first and second year.

Besides, students are taught the elements of Actuarial Science, Marketing, Finance, CRM, OB & HR and Personal Financial Planning (Wealth Management). Rounding off the personality traits of the students is accomplished by focused training in soft skills, corporate visits and industry-based projects.

The Centre has the following recognitions/tie-ups:
- This programme receives academic inputs and technical support from Swiss Re and CII, UK.
- Dual qualification with PG Diploma Plus Programme from the Chartered Insurance Institute (CII) in the UK.
- Life Office Management Association (LOMA), USA, is BIMTECH’s educational partner and BIMTECH is an approved centre for LOMA examinations. Quite a few of the life insurance subjects taught at BIMTECH are based on the LOMA curriculum.
- The Two year PGDM (Insurance Business Management) has been recognized as equivalent to the Associate level of the Insurance Institute of India (II), Mumbai.
- The Chartered Insurance Institute (CII), UK has accorded recognition (by way of credits) to our PGDM (Insurance Business Management) course.
- BIMTECH is an academic partner to the International Institute of Business Analysis, Canada (IIBA). Insurance students are taught the basics of Business Analysis and are eligible for international certification from IIBA.

RETAIL MANAGEMENT

The Centre for Retail Management is an initiative to educate future managers for the organized retail industry and empower them with the knowledge to contribute substantially to the retail industry growth in India. It strives to create a new generation of smart retail professionals of international calibre and aims to equip them with the best practices being followed across the globe.

This two year programme has the approval of AICTE like other BIMTECH programmes.

The programme is spread over six trimesters with a three months mandatory Summer Internship assignment between the first and second year. The programme strives to offer the best intellectual inputs through varied teaching methodology and has been instrumental in inculcating awareness in every student of the following:

- Basic retailing and merchandising concepts
- Exhaustive theoretical knowledge to ensure understanding of the dynamics of modern organized retail trade
- Modern techniques and practices of retailing including e-tailing being widely used by retailers around the world to understand the changing consumer market
- Hands on projects in mall/retail organizations one day a week
- Capability to incorporate the classroom teaching in actual work environment and effective decision making
- Enhanced interpersonal and communication skills
- Opportunities for Business Analysis Certification from IIBA.
- All students will undergo OJT programmes.

The students of PGDM (Insurance Business Management) programme visited offices and plants of industries like Yamaha, Lulu Mall etc. on an education tour.

Retail Management
The students of PGDM (Retail Management) visited companies namely GATIKWE, Parle, Szfoxpresso, Lulu Mall etc.
The Birla Institute of Management Technology (BIMTECH) continues to organize HR Round Tables consecutively for the 6th year. So far we have delivered 22 HR Round Tables in six years. In 2016-17 three HR Round Tables were held in New Delhi, Chennai and Mumbai on the theme ‘The Forces of Global Change: Reinventing HR’ and 2nd National HR Summit was organized in New Delhi.

HR Round Table, New Delhi
BIMTECH organized 20th HR Round Table on September 23, 2016, New Delhi, in association with National HRD Network and Deloitte. The sub-theme was “Demographic Uproarals: Changing Role of HR”. The welcome address was given by Dr. H. Chaturvedi, Director, BIMTECH. Mr. S V Nathan, Partner and Chief Talent Officer, Deloitte India, presented the Findings of Deloitte’s Survey. The panel consisted of Dr. Asha Bhandarker, Distinguished Professor of OB, IIM, Delhi; Mr. D D Misra, Director (HR), ONGC; Mr. Mihir Mallick, Director and Head - HR & General Affairs, Samsung Electronics; and Mr. Saptarshi Roy, ED (HR), NTPC, who shared their thoughts and interesting experiences from their own companies.

HR Round Table, Chennai
The 21st HR Round Table was based on the Sub-Theme “Changes in Digital Technology: Evolving New Organisation” in Chennai on 21 October 2016. The distinguished panelists were: Dr. Christine Augustine, Director HR-Global Human Resources, (Virtusa Polaris Corporation); Mr. Ganapathi S Subramanian, Head Human Resources, Sundaram Finance Ltd., the parent company of Sundaram Group; Mr. Naveen S. Pillai, Dy. General Manager, HRD, TAFE and Mr. Ramkumar Chandrasekaran, Head, Human Resources, TCS—Chennai Region. The session was moderated by Mr. Debu Mishra of Deloitte Consulting.
HR Round Table, Mumbai

On 13th January, 2017, the 22nd Round Table was held in Mumbai, focused on the Sub-Theme “New Social Contracts: Restructuring Culture and Employee Engagement”. The Panelists included Mr. Ashwani Prashara, Head HR & IR - Group Manufacturing Services, Reliance Industries Ltd., Mr. K Ramkumar, National, President, NHRDN, Mr. Rajeev Dubey, Group President (HR & Corporate Services) & CEO (After-Market Sector), Member of the Group Executive Board, Mahindra and Mahindra, Dr. Ritu Anand, VP & Deputy Global Head HR, TCS, Mr. S. Parasuraman, Director, TISS, Mr. Sudhanshu Tripathi, Group Head HR, Hinduja Group. The session was moderated by Mr. S. V. Nathan of Deloitte.

Approximately 500 participants of senior and middle level from public and private sector organizations attended the three HR Round Tables.

National Summit on Energy Sector Transforming HR: Agenda for Action

BIMTECH & NHRDN in association with Power HR Forum & Deloitte organised National Summit on Energy Sector on 2nd & 3rd March, 2017 at ITC Maurya, New Delhi. The Summit highlighted the key changes that today’s energy sector is going through and the role that HR need to play so that these changes could be managed in a positive and innovative way without much disruptions. The Summit witnessed the presence of who’s who of Energy sector and HR leaders. Padma Bhushan B. K. Chaturvedi, Former Cabinet Secretary and Member Planning Commission, Mr. R. V. Shahi Chairman, Energy Infratech; Padma Shri Dr. Pritam Singh, Chairman-LEAD Centre, Mr. Pradeep Kumar Pujari, Hon'ble Secretary, Ministry of Power, Govt. of India were the dignitaries who benefitted the summit delegates with their insightful addresses.

The CEO panel was chaired and moderated by Mr. P. V Shahi, Chairman Energy Infratech. It was followed by the sessions revolving around the theme of Transforming and Nurturing Talent, Building Leadership Pipeline, Employee Relationship and Engagement - The New Imperative and Future Strategy for Innovation - Role of HR. The Summit was conducted under the leadership of Prof. K K Sinha, Dean (Development) BIMTECH and guidance of Dr. H Chaturvedi, Director BIMTECH. Padma Shri Dr. Pritam Singh, Chairman- LEAD Centre was the chief mentor of the Summit. Mr. Dharamjay Singh Director General NHRDN was a key support and very significant partner of the Summit.
INTERNATIONAL CONFERENCE ON MANAGEMENT CASES (ICMC) 2016

Birla Institute of Management Technology jointly with the Schar School of policy & Government, George Mason University, Virginia, USA organised ICMC 2016 on December 1st & 2nd 2016. The conference, an annual feature for past five years, provides a platform for academicians, practitioners in management, research scholars and students in management studies to share their experiences on decision making in management related issues through teaching and research cases.
ICMC 2016 received around 130 manuscripts. These came from 8 countries viz. Japan, Thailand, Nepal, UK, Finland U.S.A, Canada, and India. Some of the distinguished academicians, researchers, and practitioners who contributed papers and participated included Prof. Hanna Lehtimaki, Professor of Innovation Management, University of Eastern Finland Business School; Prof. Ken Nishikawa, Professor of Konan University and Co-Director of DD Associate in Japan; Prof. Trevor Williamson principal Lecture at Manchester Metropolitan University Business School, UK; Prof. Balakrishnamoorthy, Associate Dean & Professor (Business Strategy), NVIMUS University, Mumbai. A total of 102 delegates registered as participating delegate. Of these 47 came from overseas.

Dr. Nick Van Dam, Partner, Client Advisor & Global Chief Learning Officer of the world renowned consulting firm McKinsey & company and professor of management at Nyenrode Business University presented keynote address.

ANNUAL CONFERENCE OF OPERATIONAL RESEARCH SOCIETY OF INDIA (ORSI)
49th Annual Convention and International Conference on Analytics in Operational Research of the Operational Research Society of India (ORSI) was organized by BIMTECH, Greater Noida on December 12th and 14th, 2016. The objective of the conference was to provide an intellectual forum for exchange of knowledge and information in relation to operational research.

The conference had 271 attendees in 17 sessions. In the three days duration, 95 papers were presented by various researchers from some of the most premier institutes of the country like IIT Delhi, IIT Bombay, IIT Roorkee, IIM Ahmedabad, IIM Bangalore and IIM Kolkata. The Conference also witnessed the presence of international researchers.

NHRDN BIMTECH 3RD NATIONAL CSR SUMMIT, BANGALORE
The third national CSR Summit was organized by the Birla Institute of Management Technology (BIMTECH) and national HRD Network (NHRDN) on 11th and 12th of August, 2016 at the Ritzi Carlton, Bangalore. The Summit was attended by a good mix of around 150 participants which include thought leaders, practitioners from the Industry, Government Agencies, Civil Society organisations, and academia.

The keynote address was delivered by Mr. Krishna Kumar Natarajan, Executive Chairman, Mindtree Limited, while the special address was delivered by Mr. Sanjay Padode, Secretary, Centre for Development Education, IFIM. The vote of thanks to the esteemed panel was presented by Mr. N Balachandar president – NHRDN Bangalore Chapter & Group Director HR Coffee Day Group.

Some of the organisation represented at the Summit included HUL, ITC, Wockhardt Foundation, Bayer Crop Science, GMR, Arvind Mills, TELTL, MSME and many others.

WORLD INSURANCE SCENARIO: TODAY & TOMORROW
Mr. Paul Murray was on visit to BIMTECH Campus, Greater Noida on September 13, 2016. Mr. Murray’s comprehensive presentation covered all aspects of current concerns in insurance such as protection gap, catastrophic risk coverage, epidemics coverage and risk Swiss Re’s approach to Risk management.

LYCEUM MASTER CLASS 2016
Lyceum – An annual event to bridge the gap between the industry and Academic was held on 3rd September and 8th October, 2016, provided a platform for the students to discuss, learn and share their thoughts on some critical issues with industry expert. The event was a great success and provided students with insight of their respective sector.
