

Jagdish N. Sheth Best Thesis Award- BIMTECH's initiative to promote Research at Doctoral Level

As a B-school of 28 long years of existence BIMTECH has committed itself to contribute positively to all facets of professional management education. Developing well trained and qualified faculty to teach in B-schools is one such facet to which BIMTECH finds itself committed. As such the Centre of Research Studies was established in BIMTECH way back in 2002. The Centre facilitates doctoral research through its Ph.D and Fellow Program in management.

Prof. Jagdish N. Sheth Endowment of Rs. 5 lacs was created by the eminent professor from Emory University, US himself in 2012 instituting a Best Thesis Award to recognize good research at doctoral level conducted at the Institute. The Award, which includes a cash prize of Rs. 50,000 along with a citation is conferred on a selected researcher who has been awarded Ph.D/FPM through the Centre for Research Studies, BIMTECH.

The award this year has been won by:

Dr. Himanshu Gupta, The title of his thesis “Impact of Diversified Investment on Portfolio Performance: A Study on ‘Hedge Funds’ With Special Reference to Indian Capital Market”. He was the conferred Ph.D degree by the Mohanlal Sukhadia University, Udaipur in 2016.

As per the award scheme a second award was also declared this year since no award could be won in the last year.

The second award was won by:

Dr. Amrendra Pandey. The title of his thesis was “Working of Monetary Policy: A Case Study of RBI from 1991-2015”. He was conferred the title of Fellow of BIMTECH in 2016.
