About BIMTECH

Birla Institute of Management Technology was established in 1988 under the aegis of the Birla Academy of Art and Culture, and supported by Birla group of companies. Late Dr. (Smt.) Sarala Birla and Syt. B K Birla, chairperson of B K Birla Group of companies are the founders of the business school.

BIMTECH is mini India in its formation every year. It has students coming almost from all the states of India, and also from few foreign countries. BIMTECH is like a school where international business endeavors are also made. Its mix of nationalities, cultural backgrounds, academic and professional experiences make BIMTECH one of the most exciting and enriching business schools in the country.

“The fully residential campus of (BIMTECH) located in National Capital Region is one of the top MBA Institutes to study in India”.

It provides a highly conducive academic environment, interaction with hard working and industry-academia mix professors, proximity to the strategy makers of the industry and practitioners of the service and manufacturing companies, exposure to the international universities and companies.

About Center for International Affairs (CIA)

BIMTECH has collaboration with leading B schools from all parts of the world who correspondingly promote the exchange programme. At BIMTECH the International exchange programme for students and faculties is quite engaging. In this era, global connections are important from all facets of student and faculty growth. We trust that fruitful ideas come from crossing traditional boundaries and so we promote: Student Exchange; Faculty Exchange; Partnership with International Universities and organizations; Research projects for students; Research sharing and collaboration; Joint Certificate Programmes; Dual Degree Programmes; Emerging Market Programmes; Joint Seminars; Global Management Guru Award and other academic activities to enhance the graduation experience.

Student Exchange Process

BIMTECH will forward link of online application form to the partner. Students have to apply through online application form. They can get the **link, Factsheet 2019-20 and Exchange Students Guide 2019-20** from the institute /university.

Students have to give their travel details by filling the online form. BIMTECH will share the link directly with the students when sending the invitation letter.

Immigration Rules

Visa

Foreign Students coming to India for Exchange Program must **apply for student visa only**. If you travel on any other visa you are not eligible to study at BIMTECH. Our International office strictly follows the rules and regulations of the Indian Bureau of Immigration. Invitation letter from BIMTECH should be attached while filing the student visa application. If student gets a VISA of shorter duration that expires before the end of the trimester (Exchange program) then student will have to apply for extension from India on their own. You may take assistance from International office in preparing your documents.

Very Important: On student visa you are not allowed to take up internship in India. Students willing to continue internship after the end of exchange program will have to apply for appropriate visa again from India to stay further. More information can be collected from Indian Bureau of Immigration and Ministry of Home Affairs Foreigners Division. <http://mha1.nic.in/foreigDiv/TourVisa.html>
