## Programme Overview

EduPulse is an energizing leadership programme designed to infuse DEOs with the passion, energy, and drive needed to lead academic institutions toward a brighter future and foster a culture of innovation and growth. Through a dynamic blend of theory, practice, and experiential learning, this program equips DEOs with the knowledge, skills, and mindset necessary to navigate the complexities of modern education, foster innovation, and cultivate sustainable schools for the future.

## Programme Objectives

The Completion of the Course aims at the following learning -

- To encourage the personal and professional development of Academic leaders.
- To utilize knowledge to create educational environments where all students feel welcome as leaders and effective learners.
- To Improve the educational processes through research, data collection, and assessment.
- To learn about effective teaching methods and pedagogy for content delivery in classrooms.
- To learn about contemporary themes on technology and digital teaching.

## Deliverables

- Schools as learning organizations
- Redefining pedagogic leadership
- Digital Transformation for School Management
- Cultivating Future Innovators in Education
- Strategic thinking for unstable times
- Cultivating Sustainable Schools
- Coaching & Mentoring for Effective Leadership

## Pedagogy

A mix of classroom sessions, discussions, and interactions including face-to-face lectures, case studies, group exercises, and sharing of experiences.

## Target Audience

This programme is exclusively designed for Educational Officers and Academic Leaders.
