ABOUT BIMTECH

Birla Institute of Management Technology (BIMTECH) was established in 1988 under the aegis of the Birla Academy of Art and Culture, and supported by the Birla Group of companies. Dr. (Smt.) Sarala Birla, Chairperson of Birla Academy and Syt. B K Birla, Chairperson of B K Birla Group of companies, are the founders of the business school. The Board of Governors comprises of eminent people from industry and is headed by Smt. Jayashree Mohta, Vice Chairperson, Birla Academy of Art and Culture, Kolkata.

Located in Greater Noida in the National Capital Region, BIMTECH offers post graduate academic programmes as well as consultancy and training in the areas of Business Management, Insurance Management, International Business, Retail Management Operations Management and Sustainable Management. It also offers Doctorate in few areas of Business and Management and publishes referred research journals, reports and books .

BIMTECH has been ranked 6TH AMONG THE TOP PRIVATE B-SCHOOLS & 15TH OVERALL NHRDN AND PEOPLE MATTERS B-SCHOOL RANKINGS 2015

BIMTECH has learning and development partnerships with mega corporates like SAIL, Power Grid, NTPC, SAIL and O.P. Jindal Global University for supporting their management development activities.

Currently BIMTECH has several international partners such as Asian Institute of Technology, University, Bordeaux Ecole de Management, FH Joanneum, Rouen Business School, Kozminski University, Frankfurt School of Finance and Management, Jyväskylä University of Applied Sciences, Hertfordshire University, Brock University and many more around the world.

FROM THE DIRECTOR'S DESK

Change is the only constant in many areas of human endeavour. Survival and growth would largely depend on how one adapts to change, which at times can be abrupt and unsettling. Those organizations which are flexible, which can anticipate change and adapt to it at their own pace, can maximize their chances of achieving success.

BIMTECH is itself a part of the B. K. Birla group of institutions and has been closely working with industry in different sectors in its 27 years of history for discerning the trends taking place in the business environment. With our team of highly qualified and experienced faculty who have decades of varied industry experience at decision making levels, will be happy to share its knowledge and experience.

We deem it our privilege as well as our duty to work in close collaboration with industry in helping solve problems, increase efficiencies in processes and outcomes and transmit cutting edge knowledge in a collaborative mode.

We are indeed grateful to you for your keen interest in executive education and would be glad to be of service to you by sharing our accumulated knowledge and skills, as per your requirements.

Dr. H. Chaturvedi
Director
BIMTECH

FROM THE DESK OF DEAN-DEVELOPMENT

BIMTECH, an institution known for its “Excellence with Values”, has always adhered to this philosophy since its inception.

People in an organization are the great differentiating resource for its growth and business success. But most of their talent remain hidden like an iceberg. We have to raise them and develop further for both personal and organizational benefits. Developing competencies with new or finer skills, knowledge and attitude, therefore, is of paramount importance in the competitive world of business today.

Corporate houses have been in the search of opportunities that will energize and prepare human resources for a better and productive future. The modern-day corporate houses are stepping forward with profitability and employee engagement as their major focus for achieving organizational growth and development. This can be achieved through intelligent maneuvering in a conditioned environment.

BIMTECH, an institution known for its “Excellence with Values”, has always adhered to this philosophy since its inception. The galaxy of mentors and specialists in these areas of contemporary business development enables a high-quality learning environment for budding and thriving business executives in search of excellence.

We during the last year 2015-16 delivered 70-80 MDPs successfully to leading corporates in both private and public sector and also have developed formal partnerships through MoUs/ Agreements with some of the leading organizations like Power Grid Corporation of India Limited, NTPC Limited & UltraTech Cement Ltd., Aditya Birla Group etc.

We are delighted to avail this opportunity of presenting this MDP Brochure with some very interesting and useful products as our offerings for Corporates/ Businesses.

Looking forward to associating with you on your path of management development in your esteemed organization.

What cannot be achieved through determination and resolution?

FROM THE CHAIRPERSON'S DESK

Centre for Management Development & Consultancy (CMDC) at BIMTECH consistently endeavours to offer platforms for experiential knowledge sharing and creation for corporates, both in public and private sectors. Ever since its inception, CMDC has contributed in up-skilling and reskilling the human resource of several organizations with the assistance of the rich intellectual capital of BIMTECH.

Several in house and off campus customized programs are offered as MDPs across plethora of functional areas of organizations. These programs have been designed by the BIMTECH faculty keeping in mind expectations and relevance to the industry.

The participants have benefitted greatly as these training workshops and courses has helped them in developing new skills, knowledge, attitude and competencies which are crucial in today's competitive world of business. Our courses have had deep impact on the effectiveness of these participants in their job roles and career progression.

Our faculty resource is well travelled and has involved itself with the industry in many ways. The vast and varied academic and corporate experience has developed in them insights and intuitiveness towards industry needs and expectations. The delivered MDPs and consultancies have been recognized by organizations who have given special distinction and excellent feedback of our management development programs conducted both in India and overseas.

It is a privilege for me to present to you our MDP Brochure 2016-17 with a bouquet of well- customized MDPs in different specialized functional areas of business. We have always been designing programs creatively and adding new topics each year. This year we have offered training on "Business Story Telling" as the new age presentation skills for executives.

I invite you all to explore the avenues offered by CMDC, BIMTECH to make your executive development a life-long learning process with BIMTECH.

CENTRE FOR MANAGEMENT DEVELOPMENT

ABOUT THE CENTRE

Centre for Management Development aims to create a training base which engages in management advocacy for general management and human resource development and aligns itself with the human resource practices, experiences with training and capability enhancement. Programs for the business houses and conglomerates, to develop professionals leading to increased output and productivity, marching towards inclusive growth. One of the prime objectives of Centre for Management Development at BIMTECH is to conduct training in various functional areas of management to provide quality inputs to national and international conglomerates, government, public and private sector organizations, donor agencies and international and national NGOs.

Overview

We understand that motivating your employees to face and accept new challenges and to flourish is indeed a Herculean task. This intensifies the need for education, training and development. Honing up the existing skills and acquiring specialized skills, is a perpetual requirement. We offer you an entire portfolio to choose from diverse training programs that will address your needs at all levels. Our customized programs can be linked with the performance assessment, providing opportunities of vertical and lateral growth for employees.

Why are Management Development Programs necessary?

Most new managers feel as though they have been thrown into the middle of the ocean without a life jacket. Mastering managerial skills will provide managers with the confidence and skills required to manage themselves as well as the team. We have also designed the programs in a way that will provide intensive inputs. The training programs serve to sharpen the essential lessons which can be applied to real life circumstances.

Direct Benefits

- Improves employee motivation.
- Helps in building strong linkages with corporates.
- Brings in ability for self assessment and self appraisal.
- Provides opportunity for growth and development of employees.
- Provides means for performance assessment and provides a platform to perform better.
- Enables employee retention.

Aims and Objectives

1. To develop capable managers and leaders who contribute towards the growth of the organization.
2. To create professionals who will be able to work in the after grasping and analyzing the very nature of the problem.
3. To develop the spirit of training for best results.
4. To develop value based leadership pipeline throughout organization and the society.

CENTRE FOR MANAGEMENT DEVELOPMENT

SALIENT FEATURES

Here at BIMTECH Centre for Management Development, we have some of the best features and the best people for the job.

- 1. Industry experts as faculty :**
Our faculty is drawn from a diversified pool of highly experienced industry professionals and academicians. Their different background and vast experience provides valuable insights into the dynamic and challenging world of business.
- 2. Interactive Training at corporate premises :**
We go one step ahead in making you comfortable. We come and train at your premises so that you are comfortable in your own premises and the transfer of learning takes place at a faster rate. However, MDPs can also be delivered in or near the BIMTECH premises in Greater Noida, if desired by corporate.
- 3. Case studies, workshops and presentations:**
The training programmes would facilitate the participants to learn from three equally important sources of knowledge-self learning, learning through interaction with the faculty and among the participants. It includes case-studies, role-plays, interactive classroom simulations, work-shops, group exercises and presentations.
- 4. Outbound Training:**
This is an added advantage provided in some training programs like Team Building, Leadership Development Programme, Executive Development Programme and Foundation Course in General Management provided through experienced partners.
- 5. Feedback Analysis:**
No training is complete without a feedback for both the trainer and the trainee. At the end of the training, we will give you a numerical participant's feedback also with an in-depth analysis.

CENTRE FOR MANAGEMENT DEVELOPMENT

Managers and senior managers in all types of business can benefit greatly from this training program.

Duration:

3 Days

Program Director(s) / Faculty :

Dr. Sangeeta Shukla,
Dr. Archana Shrivastava,
Prof. Saloni Sinha

Cross-Cultural Communication

Background

Each (human) communication situation has an environment of its own, or a (cultural) context. Each aspect of communication is firmly rooted in a cultural base. Every culture has its norms that govern the way in which communication happens. These norms may vary less from individual-to-individual, but more strikingly from one population segment to another.

The program is designed

- To familiarize the participants with the nature and process of Cross-Cultural Communication.
- To help participants appreciate various dimensions of Cross-Cultural Communication.
- To enable participants initiate the development of Cross-Cultural Communication skills.

For Whom

Managers and senior managers in all types of business can benefit greatly from this training program.

Duration :

2 Days

Program Director(s) / Faculty :

Dr. Sangeeta Shukla,
Dr. Archana Shrivastava,
Prof. Saloni Sinha

BUSINESS COMMUNICATION

Effective Presentation Skills

Background

Presentations are an integral part of all professional fields. Presentation skills, necessary to create and deliver informative and persuasive speeches, are vital to organizational communication, success and advancement. This MDP provides training in how to develop effective communication content for a prepared speech, how to develop and structure the content of informative presentations.

The program is designed

- To develop a more confident and persuasive vocal style.
- To use body language effectively to build rapport and maintain the motivation of the audience.
- To use language techniques to ensure that your key message is understood.
- To plan and structure your presentations creatively for maximum impact.

For Whom

Executives at all levels in all types of business can benefit greatly from this training program.

Duration:

3 Days

Program Director(s) / Faculty :

Dr. Sangeeta Shukla,
Dr. Archana Shrivastava,
Prof. Saloni Sinha

FINANCIAL MANAGEMENT

Capsule Course for Newly Recruited Officers in Public Sector Banks

Background

In the interconnected world of today, forces of competition, consolidation and convergence are exerting continual pressures on organizations and individuals alike to deliver best value. Today, the confluence of market forces and technology has made business highly competitive. Integration of global markets, thinning profit margins and fast changing consumer preferences are forcing organizations to redefine their businesses and adopt different strategies. These trends have a more dominant impact on service industry like banking where money market dynamics further compound the nature of competition.

The program is designed

To make participants well aware of RBI acts, banking regulation act etc and various asset and liabilities products.

For Whom

Newly recruited officers for public sector banks.

Duration :

3 Days

Program Director(s) / Faculty :

Prof. Ashok Malhotra

Finance for Non Finance Executives

Background

Finance is the life blood for any organization. Finance integrates all other functional areas of management. Today managers understand that their decision is going to have a serious impact on profits and earning potential of the business yet they find it difficult to comprehend the financial aspects and take a holistic view of the business. The programme on Finance for Non Finance executives aims to facilitate the managers in developing understanding on the critical issues of finance for a better decision making.

The program is designed

- To provide the participants with conceptual foundations of productivity and efficiency.
- To show how one can use real life data from the actual operations of private and public sector firms to measure and compare performance of different firms from an industry.

For Whom

Non Finance managers working at all levels in all types of business can benefit greatly from this training program.

Duration :

5 Days

Program Director(s) / Faculty :

Dr. L. Ramani,

Prof. Ashok Malhotra

FINANCIAL MANAGEMENT

Financial Inclusion and Role of Banks

Background

Financial inclusion or inclusive financing is the delivery of financial services at an affordable cost to sections of disadvantaged and low income segments of society. Unrestrained access to public goods and services is the essential element of an open and efficient society.

The program is designed

To understand the role of agencies like RBI, government of India in implementation of financial inclusion.

For Whom

Managers and senior executives involved in rural banking

Duration :

2 Days

Program Director(s) / Faculty :

Prof. Ashok Malhotra

Investment Management

Background

Investment Management Investment is the current commitment of money or other resources in the expectation of reaping future benefits. Investors want a rate of return that compensates them for the time period of the investment, the expected rate of inflation, and the uncertainty of the future cash flows. We all want high rate of returns at a low level of risk, but are we aware of the investment scenario and financial instruments available in the market. Investment management deals with the professional asset management of various securities, such as shares, bonds, mutual funds and other asset classes in order to meet specified investment goals for the benefit of the investors.

The program is designed

- To get an overview of the current investment scenario.
- To understand the process of financial planning and its importance.
- To appreciate the debt instruments and other asset classes.
- To be familiar with the mutual funds & equity market.
- To have knowledge of tax implications of investment options.

For Whom

Executives in all type of businesses

Duration :

3 Days

Program Director(s) / Faculty :

Dr. Meena Bhatia

Using Strategy for Creating a Sustainable Competitive Advantage

Background

A burgeoning economy creates several opportunities for rapid growth of business organizations. It is often seen that such opportunistic growth is anchored in the short to medium term achievement of goals. However, in their quest for long term sustained competitive advantage, organizations need to develop a clear focus on their purpose, vision and scope. These issues are best addressed by developing a strategic approach to business.

The program is designed

- To understand the role that strategy can play in creating enduring value.
- To understand the role of vision, mission and values in developing strategy.
- The meaning and value of competitive position and competitive advantage.
- To develop the ability to understand your competitors and their moves.
- To identify ways for growing businesses.
- To realize the hyper competitive nature of markets and the need to innovate.
- Issues in implementing strategy.

For Whom

Senior management from any business organization from any functional area and supporting role, who play or intend to play an important role in organizational growth.

Professor and Chairperson-Centre for Management Development & Consultancy

Email: akhil.pandey@bimtech.ac.in

With a career spanning more than 48 years with the TATAs, Prof. Akhil Pandey. has been an architect of IT reforms and benchmark implementation for several leading Indian corporates such as Tata Steel, Essar Group, Tata Consultancy Services and TCG Software etc. Since April 2003, he has been associated with North Delhi Power Limited for spearheading the IT reforms in the power distribution sector. The pioneering initiatives implemented under his stewardship have brought a sea change in Power distribution business and as a result, NDPL's IT implementation is being considered as a bench mark. His Last role was as an advisor to Managing Director and mentoring NDPL on strategic and human resource matters. He is also actively involved in advocating culture of innovation, value based work culture and ethics at work place as well as spearheading an awareness and advocacy movement for combating Climate Change. Prof. Pandey's contributions to the

field of IT have been recognized at various national and international forums. He was also conferred the country's Gold CIO award for the year 2005 at a function held at Bombay.

He is an alumnus of XLRI, Jamshedpur and completed his Mechanical Engineering from National Institute of Technology, Jamshedpur. He has also served as visiting professor for XLRI; IIT, Kharagpur; Deptt of Computer Science, NIT, Jamshedpur and as moderator of the Technical Education for School of Mining & Applied Geology, Dhanbad.

Admission Cycle & Selection Criteria

The admission cycle starts in the first week of September every year with the online application window getting on and gets over with the commencement of the session in the middle of June. It comprises normally two round of selection process one each in December and February and it is conducted on Pan-India basis.

The selection process comprises of the initial screening on the basis of the percentile score in applicable eligibility tests. The candidates having got more than the course wise benchmark percentile as set by the institute are called for second stage of selection process which comprises of written aptitude test , group discussion and personal interview. A composite merit score is arrived as per the declared norm and admissions are offered strictly as per the merit.

Post Graduate Diploma in Management (PGDM) courses at BIMTECH

BIMTECH offers two year full time All India Council of Technical Education (AICTE) approved post-graduate diploma courses in General Management (PGDM), International Business (PGDM-IB) , Insurance Business (PGDM-IBM) and Retail Management (PGDM-RM). Since the courses are approved by the appropriate regulatory authorities, the minimum eligibility bench mark of having a min of 50 % marks in graduation exam and a valid score in one of the five recognized national management admission eligibility tests i.e. GMAT/CAT / XAT/MAT/CMAT is must for all the courses. PGDM / PGDM-IB are the more sought after course and hence the entry bar has always been kept a bit high compared to the other two courses. The entry in these two courses is allowed only through a high percentile score in GMAT/CAT/XAT which are supposed to be tough compared to the other two eligibility tests namely MAT & CMAT.

90 % of the approved seats are filled through the merit category where having a valid national edibility score is a must. Rest 10% seats are kept open for Corporate Sponsored / Non Resident Indian (NRI)/ NRI sponsored / International Students category. These sponsored category aspirant are to fulfill the related documentary requirements as mandated in the admission information bulletin so prove their eligibility for such category. Having a valid test score is not necessary for these candidates .International student should have citizenship/nationality of a country other than India and have valid GMAT Score.

अमंत्रम् अक्षरं नास्ति नास्तिमूलं अनौषधम् ।
अयोग्यः पुरुषो नास्ति योजकस्तत्र दुर्लभः ॥

– ऋग्वेद

Every Syllable has potential to be a mantra, every root has potential to become a medicine. There is no human without some potential and capability. What is scarce is the one who can organize and develop them to actualize the potential from within.
