"Analytics capabilities would nudge the industry towards usage-based insurance in days to come."

Mr. Ritesh Kumar
MD & CEO
HDFC ERGO General Insurance

Ayushman Bharat – A giant leap towards Universal Health

"The foundation of a high-quality health system revolves around the healthcare needs and expectations of the population it serves, the governance of the health sector and effective partnerships across the various key constituents."
Dr. Harivansh Chaturvedi
Director, BIMTECH

"Insurance model would continue to play an important role in days to come. Insurance model however, needs to focus more on wellness cover in keeping with population healthcare needs."
Mrs. Alamelu T. Lakshmanachari
Chairman & MD, AICL

"We have started from a humble beginning and have come to this level with an excellent team work. We feel new investors, with their abundance experience and golden touch, will enable the company to scale further heights."
V. Jagannathan
Chairman & MD,
Star Health Insurance
