

PLACEMENT REPORT FOR BATCH PGDM 2024-26

FOREWORD

The Birla Institute of Management Technology (BIMTECH) is delighted to present the Placement Report for the PGDM Batch of 2024–26. We are proud to announce the successful completion of the Final Placement Process for our graduating cohort, comprising **300** students from the **PGDM-Core**, **58** students from **PGDM–International Business**, **57** students from **PGDM–Insurance Business Management**, and **59** students from **PGDM–Retail Management**.

The remarkable success of this placement season reflects the continued trust and confidence of our esteemed recruiting partners in BIMTECH’s talent pool. Over **175 leading organizations** participated in the process, offering diverse career opportunities across industries and functional domains. Notably, the inclusion of **75 first-time recruiters** further strengthened our placement ecosystem and reaffirmed BIMTECH’s growing reputation among employers.

This achievement is the result of collective effort-the unwavering support of our faculty, the dedication of our students, and the invaluable contributions of our alumni network. Alumni played a pivotal role in enhancing industry connections and fostering new partnerships, ensuring that BIMTECH remains a preferred destination for recruiters.

We extend our heartfelt gratitude to all our recruiting partners and alumni for their continued collaboration. With this success, BIMTECH looks forward to building stronger industry relationships and creating even greater opportunities for our future cohorts.
