Scope of Work

The contractor shall provide comprehensive maintenance services for all RO water purification systems installed at the institute premises. The AMC shall include preventive maintenance, breakdown maintenance, repair, replacement of defective parts, and ensuring uninterrupted operation of the systems.

Duration of Contract

The AMC shall be valid for a period of one year from the date of commencement and may be extended based on satisfactory performance and mutual agreement.

Comprehensive Coverage

The AMC shall include the cost of all spare parts, consumables, labour, transportation, and taxes required for maintaining the RO systems in proper working condition.

The following items shall be covered under the AMC:

- RO membranes
- Sediment filters
- Carbon filters
- Micron cartridges
- UV lamps and quartz sleeves (if applicable)
- Pumps and motors
- Solenoid valves
- SMPS/power supply units
- Pressure gauges
- Flow restrictors
- Float switches and level controllers
- Electrical wiring and control panels
- Pipes, fittings, valves, and connectors
- TDS controller and sensors
- Dosing pumps and accessories
- Any other component required for smooth functioning of the system

Other Terms & Conditions:

The contract shall cover attending to any number of breakdown calls and quarterly preventive maintenance services during the tenure of the contract.

Interested vendors are requested to submit their quotations in sealed envelopes, in person, to the Office of the **Dy. Director, BIMTECH, Plot No. 5, Knowledge Park–II, Greater Noida (U.P.) on or before 22 June 2026 by 5:00 PM.**

BIMTECH reserves the right to accept or reject any or all quotations without assigning any reason thereof.
