

Public Expenditure and Economic Growth of India and Tanzania

Shri Prakash | Richard Fue Kiangi | Sudhi Sharma

CONTENTS

<i>List of Tables and Figures</i>	7
<i>Foreword</i>	9
<i>Preface</i>	11
1. Basic Concepts of Public Finance	15
2. Theory of State and Public Finances	43
3. Budget and Budgeting	101
4. Concept and Theory of Economic Growth and Public Expenditure.	141
5. Economic Growth and Theory and Policy of Public Finance	189
6. The Status of Tanzanian Economy Before and After Globalisation	275
7. Economic Growth and Public Expenditure: A Comparative Analysis of India and Tanzania	321
<i>References</i>	353

LIST OF TABLES AND FIGURES

TABLES

4.1	Types of Change Processes, their Organic Structure, Causes and Consequences180
6.1	Average Growth Rate of Tanzanian Macroeconomic Indicators, 1991-2012277
6.2	Comparative Figures of Sub-Period Wise Selected Macro Variables285
6.3	Results of Dickey-Fuller Test of Unit Root287
6.4	Augmented Dickey-Fuller and Phillips-Perron Tests289
6.5	Results of Summary Statistics, Descriptive Statistics Before and After Globalisation290
6.6	Year on Year Growth Rate of Macroeconomic Variables298
6.7	Test of Differences of Descriptive Statistics of Two Periods305
6.8	OLS Estimates of Growth Curves without Policy Dummy307
6.9	Growth Curves with Policy Dummy309
6.10	Regressions of Differences of Two Data Sets of Two Periods310
6.11	McNemar Test312
6.12	Summary of Augmented Engle-Granger (AEG) Test Results315

6.13	Residual Diagnostic Test for GDP Equation318
6.14	Residual Diagnostic Test for PE Equation318
7.1	Random Walk Model of India328
7.2	Random Walk Model for Tanzania329
7.3	Growth Curves—India and Tanzania330
7.4	Summary of Augmented Engle-Granger (AEG) Test Results334
7.5	Residual Diagnostic Checks—GDP337
7.6	Residual Diagnostic Checks339
7.7	Results of Step-wise Regression of Current GDP of India and Tanzania340
7.8	Step-wise Regression—Public Expenditure343
7.9	Log-Linear Regressions—GDP344
7.10	Residual Diagnostic Tests—GDP347
7.11	Step-wise Regression—Public Expenditure349
7.12	Residual Diagnostic Tests—PE351

FIGURES

4.1	Types of Change in Output and Returns to Scale.170
4.2	Change and Variables Associated with Factor Inputs174
4.3	Typology of Change in Progress, Growth and Development175
4.4	Change Process and Economic Progress176
4.5	Change Process and Economic Growth177
4.6	Change Process and Development178
4.7	Economic Change and Production Function179
6.1	Moving Average (GDP-GR) for Pre-Globalisation Period313
6.2	Moving Average (GDP-GR) for Post-Globalisation Period314
