SHAPING LEADERS. EMPOWERING GLOBAL FUTURES

PLACEMENT BROCHURE 2024

The rapid rate of change in the world of management continues to escalate. Today, we are living in an unprecedented time of disruptive technology and innovation that is part of the new order.

What can we do now that we couldn't do before, taking into account the changes in technology and user behavior? In a time of significant disruption, that's the critical question every BIMTECH student is trained to ask, and find answers to.

In today's fast paced world, it is easy for leaders to become consumed by the challenges they face. We prepare our students to face these, fight complacency and set the stage for continuous success in a manner that engages them professionally and personally. At the same time emphasizing both the economic and social responsibilities of managing business.

The emphasis at BIMTECH is on developing an entrepreneurial mindset that would greatly enhance the student's ability to discover new insights, spot unexploited opportunities, and generate novel business ideas and then turn their ideas into market success stories.

Our Legacy

Birla Institute of Management Technology was established in 1988 under the aegis of the Birla Academy of Art and Culture, and supported by Birla group of companies. Late Basant Kumar Birla and Sarala Birla, chairperson of B K Birla Group of companies are the founders of the business school.

BIMTECH is mini-India in its formation every year. It has students coming almost from all the states of India, and also from few foreign countries. BIMTECH is like a school where international business endeavors are also made. Its mix of nationalities, cultural backgrounds, academic and professional experiences make BIMTECH one of the most exciting and enriching business schools in the country.

The fully residential campus of Birla Institute of Management Technology (BIMTECH) located in National Capital Region is one of the top MBA Institutes to study in India.

It provides a highly conducive academic environment, interaction with hard working and industry- academia mix professors, proximity to the strategy makers of the industry and practitioners of the service and manufacturing companies, exposure to the international universities and companies

OUR VISION

DEVELOPING **RESPONSIBLE LEADERS** WITH AN ENTREPRENEURIAL MINDSET AND STRIVING FOR **SUSTAINABILITY**

OUR VALUES

- ETHIC AND INTEGRITY
- **SUSTAINABILITY** AND TRANSPARENCY
- INNOVATIVENESS AND **ENTREPRENEURSHIP**

OUR MISSION

- TO BE THE PREFERRED CHOICE FOR STUDENTS, FACULTY, PROFESSIONAL STAFF AND RECRUITERS.
- TO CREATE AND DISSEMINATE KNOWLEDGE FOR **POSITIVE SOCIETAL IMPACT**
- TO INCULCATE INNOVATIVE, TECHNOLOGICAL, ENTREPRENEURIAL AND GLOBAL MIND-SET
- TO EQUIP FACULTY & STUDENTS WITH **RESPONSIBLE LEADERSHIP** QUALITIES.
- TO PROMOTE SUSTAINABILITY IN ALL ACTIVITIES.

MESSAGE FROM THE DIRECTOR'S DESK

We at BIMTECH strive to nurture and groom ethical leaders with entrepreneurial and global mindset who can make a profound and positive impact on people, companies and society at large.

Dear Recruiter,

It is with immense pride and enthusiasm that I welcome you to Birla Institute of Management Technology, an institution committed to nurturing future leaders with a focus on responsible management, entrepreneurship, sustainability, and innovation. With a legacy spanning over 35 years, BIMTECH stands tall as a pioneer in management education, blending academic rigor with real-world relevance. Our accreditations by prestigious bodies like AACSB and NBA reflect our commitment to excellence and global standards.

At BIMTECH, we believe in equipping our students not only with advanced business knowledge but also with values that promote ethical leadership and sustainable business practices. This is evident in our curriculum, which integrates emerging disciplines like Data Analytics, Information Technology, Banking, Financial Services, Insurance, Strategy and Consulting, and responsible business practices. Our international certifications, such as the Reinsurance Certificate Course with Swiss Re and the Dual Degree Programme with CII-UK, provide students with globally recognized qualifications, further enhancing their career prospects. Our faculty members, many of whom are thought leaders in their fields, are dedicated to creating an enriching learning environment through research-driven teaching, industry collaborations, and innovative projects.

In order to enhance the academic and professional development of students, faculty, and researchers, a strategic initiative has been taken to set up a

Bloomberg Lab to equip students with practical skills, bridging the gap between academic theory and industry practice.

As we look to the future, our goal remains steadfast—to produce well-rounded professionals who are prepared to meet the evolving demands of the global market while upholding the highest standards of integrity and social responsibility. Our students, with their passion, creativity, and resilience, are the cornerstone of our institution's success. We take great pride in their achievements and look forward to continuing our journey of excellence with them as we forge ahead.

We invite our esteemed corporate partners to collaborate with us in nurturing the next generation of dynamic business leaders. Together, we can foster innovation, drive advancements in Analytics and AI, and shape the future of global business excellence.

Dr. Prabina Rajib

MESSAGE FROM THE CHAIRPERSON-CCR

The Placement Cell at BIMTECH works closely with recruiters to ensure a seamless hiring process and to meet your talent needs effectively.

Dear Recruiters,

It is my pleasure to welcome you to the placement season at Birla Institute of Management Technology. Our institution takes immense pride in nurturing talent that is not only academically proficient but also equipped with the skills and adaptability required to excel in today's dynamic business environment.

Our students come from diverse backgrounds, bringing unique perspectives and problem-solving abilities. Through rigorous academics, experiential learning, and industry exposure, they are groomed to take on professional challenges with confidence and integrity. This year's graduating batch reflects our commitment to developing well-rounded individuals who can contribute meaningfully to your organization.

The Placement Cell at BIMTECH works closely with recruiters to ensure a seamless hiring process and to meet your talent needs effectively. We value the longstanding partnerships we have with esteemed organizations and look forward to building new relationships this year.

I invite you to explore this brochure and discover the remarkable talent our students have to offer.

Let us continue this journey of collaboration and excellence as we shape the leaders of tomorrow.

Warm regards,
Dr Archana Shrivastava

ABOUT THE INSTITUTE

BIMTECH has been a beacon of excellence in management education for over three decades. With visionary founders like Late Dr. (Smt.) Sarala Birla and Syt. B. K. Birla, our business school was designed to bridge the gap between academia and industry, offering practical, forward-thinking education that meets the demands of today's competitive corporate world. Located in the vibrant National Capital Region (NCR) in Greater Noida, our fully residential, green campus offers state-of-the-art infrastructure and is equipped with seamless Wi-Fi connectivity. With a student body of over 1,000 students and 70 esteemed faculty members with proven industry credentials, BIMTECH fosters a learning environment that combines academic rigor with real-world application.

At the heart of BIMTECH's educational offering are our AICTE approved, industry-aligned Post Graduate Diploma in Management (PGDM) programs. Each program is meticulously designed to cater to different business domains, equipping students with specialized knowledge and skills that make them highly sought after by recruiters across sectors. Our key programs include:

PGDM (General Management): A comprehensive program that builds strong managerial acumen across various business functions, preparing students to take on leadership roles in diverse industries.

PGDM (International Business): Focused on global business practices, this program prepares students to navigate the complexities of international markets and develop cross border strategies.

PGDM (Insurance Business Management): With India emerging as a key player in the insurance sector, this program is tailored to develop specialists who can drive innovation and growth in this expanding industry.

PGDM (Retail Management): In a fast-evolving retail landscape, this program offers students a deep dive into retail strategies, supply chain dynamics, and consumer behavior.

Our curriculum is constantly updated to reflect the latest industry trends, ensuring that our graduates are not only academically strong but also highly adaptive and ready to meet the challenges of a dynamic business environment. The programs are enhanced through hands-on learning experiences, including live industry projects, internships, and case studies drawn from real-world business scenarios.

BIMTECH has established strong and meaningful connections with top companies and industry bodies. Our collaborations extend beyond the classroom, with Management Development Programs (MDPs), Short-Term Projects, Round Tables, and Colloquiums designed in partnership with industry leaders. These initiatives ensure that our students are exposed to contemporary business challenges and are able to engage directly with top executives, further boosting their employability.

BIMTECH's campus is a microcosm of India's diversity, hosting students from nearly every state in the country, along with a growing international student body. This mix of cultural and professional backgrounds adds richness to the learning environment, enabling students to develop a global mindset, which is crucial in today's interconnected world.

Our graduates emerge from BIMTECH not just as job seekers, but as future business leaders capable of driving growth and innovation. Our 14 industry-grade databases, a modern library, and numerous student-driven initiatives ensure that every learner has the resources and opportunities to excel.

OUR PRESENCE & PROMINENCE

Accreditations BIMTECH holds accreditations from **AACSB, NBA, and NAAC**.

The accreditations awarded by the three most influential National and International accreditation bodies globally underscore the quality of everything we do at the Institute.

National Accreditation: The National Board of Accreditation (NBA) is one of the two major bodies responsible for the accreditation of higher education institutions in India, along with the National Assessment and Accreditation Council (NAAC).

BIMTECH's four Postgraduate programmes—PGDM, PGDM (International Business), PGDM (Retail Management), and PGDM (Insurance Business Management)—are accredited by the **National Board of Accreditation (NBA)**. The institute has also been awarded an **A+ grade by the National Assessment and Accreditation Council (NAAC)**, with the renewal process as per the accreditation cycle.

**TWO YEARS
PROGRAMMES,
FULL-TIME**
(Approved by AICTE,
MHRD, Govt. of India)

ACADEMIC PROGRAMMES

Post Graduate Diploma in Management (PGDM)

It is the first programme of the institute, established in 1991 to meet the needs of research and education in management areas. This programme has won acclaim from academia and industry.

Post Graduate Diploma in Management – International Business (PGDM-IB)

In a globalized world, BIMTECH's two-year International Business programme equips professionals with essential skills and industry connections.

Post Graduate Diploma in Management – Retail Management (PGDM-RM)

The PGDM-RM is a two-year, AICTE-approved programme focused on contemporary retail management. Designed with industry input, it equips students with both theoretical knowledge and practical skills to excel in retail careers and competitive environments.

Post Graduate Diploma in Management Insurance – Business Management (PGDM-IBM)

This is India's first full-time professional programme in insurance education. It prepares young professionals for managerial roles in insurance and risk management through an industry-aligned curriculum. BIMTECH collaborates with LOMA, USA, for life insurance programs, ensuring global standards and expertise in the field. This programme has strategic partnership with Swiss Re. Besides, the programme has been recognized by the Indian Insurance Institute as equivalent to the Associate of Insurance Institutes of India (III).

Our all above mentioned programmes are:

- Two Years programmes, Full-Time (Approved by AICTE, MHRD, Govt. of India)
- Accredited by the National Board of Accreditation, AICTE
- Recognized by the Association of Indian Universities (AIU) as equivalent to MBA.

CENTER FOR MANAGEMENT DEVELOPMENT AND COSULTANCY

CMDC at BIMTECH serves as a critical platform for executive education, offering customized training and consultancy services for organizations across various sectors. Its goal is to develop management capabilities and enhance the skills required to thrive in today's dynamic environment. The CMDC collaborates with both the public and private sectors, as well as international organizations, focusing on leadership development and lifelong learning.

Here are the key highlights:

- **Comprehensive Training Programs:** Tailored to meet the needs of organizations, from entry-level to top management, across sectors like healthcare, manufacturing, and education.
- **Global Outreach:** Training programs for international conglomerates, governments, NGOs, and donor agencies.
- **Prominent Clients:** Collaborations with industry leaders such as NTPC, GAIL, Power Grid Corporation of India, and Oil India Ltd.
- **Leadership Programs:** Specialized training for educational officers and principals, aimed at fostering innovation in educational leadership.
- **Capacity Building:** Developing skills and knowledge to meet modern business challenges, enhancing productivity and organizational growth.

Our Clients and Partners of CMDC:

Empowering
leaders for a
global future

INTERNATIONAL EXPOSURE & GLOBAL PARTNERSHIPS

BIMTECH partners with top international institutions certified by AACSB, EFMD, and AMBA to give students a transformative global learning experience. These programs give students foreign experience and a global business perspective.

Key International Program Benefits:

Student Exchange Programs

BIMTECH students can study at renowned international universities such as Sydney Business School (Australia), FH Joanneum (Austria), and Kozminski University (Poland). International students attending BIMTECH through reciprocal student exchange programs create a diverse learning environment.

Global Immersion Programs: National University of Singapore (NUS)

BIMTECH students participated in an AI-powered business analytics Global Immersion Program. Students learned how to use AI and data analytics to address challenging business problems through classroom training, industry visits, and projects.

Singapore Management University (SMU)

BIMTECH students participated in the Executive Growth Program, which enhanced their professional growth by providing experiential learning and worldwide market and business knowledge. BIMTECH's global initiatives are supported by prestigious scholarships like the Endeavour Leadership Program Grant (Australia) and the ERASMUS+ International Credit Mobility Grant (Austria, Poland).

Curriculum & Faculty Exchange

Global partnerships assure current curriculum reflecting business education trends. Faculty exchange programs expose students to different teaching methods.

Joint Research & Collaboration

BIMTECH also collaborates on joint research projects, providing students with global business difficulties insights.

Improved Employability

Students get worldwide exposure, international networks, and intercultural proficiency, attracting top global and domestic employers. BIMTECH's international programs give students the skills, knowledge, and networks they need to succeed in global business.
