

Admission Policy 2024

**Centre for Admission
BIMTECH**

Preamble & Purpose

Students are the soul of any academic institution. It is a place which provide a platform for the talented individual to pursue their dream and excel in the area of their choice. BIMTECH vision is to groom ethical global business leaders & entrepreneurs who are committed to inclusive growth and sustainability. The Centre for admission role is to spot such talents out of those available in selection pool and bring them in to BIMTECH's fold.

Vision, Mission & Values

In sync with the Institute's vision, Centre for admission vision is to spot talent for grooming them to be a successful ethical leader & entrepreneurs with global mindset for the sustainable & inclusive growth.

In all its activities, the Centre for Admission strives to become a preferred destination for aspirants seeking admission in professional management courses at post graduate level.

In the selection process Centre values the ethical standard & transparency at all stage.

Objectives

The Centre activities are woven around the following objectives:

1. To disseminate the relevant and correct information to all stakeholders
2. To reach out to the potential aspirant through different marketing strategies
3. To provide seamless opportunity to all who are desirous to get admission in BIMTECH
4. To keep the entire process smooth for the benefit of all.
5. To maintain at most transparency in the entire selection process.
6. To provide proper guidance / counseling to students in their career selection.
7. To help the selected student in getting assimilation in BIMTECH

Critical Success Factor

The Centre's working and its continued success is built up on the following pillars.

- Giving due acknowledgement & consideration of merit over anything else
- Complete transparency to the satisfaction of all stakeholders
- Unhindered access for all and having incentive provision for candidates belonging to SC/ ST/ Minority
- Efforts in bringing regional & gender diversity in the selection process
- Admission efforts seek to achieve 'academic - diversity' which heightens peer group learning.
- Keeping the corporate world's requirement in mind in selection process / tools
- Involvement of industry experts in selection process
- Innovation and continued up gradation of the tools & techniques used in the process.

Validity & Applicability

The Admission policy validity is only for one admission cycle and appropriate changes are made on yearly basis based up on external / internal necessities. The changes so incorporated are well discussed and approved by the Admission Committee.

The Admission Policy gets its input from external as well as internal stakeholders. The Regulatory conditions of the sector regulator AICTE is the starting point and the policy has in its all necessary compliance. The internal stakeholders include different Academic Centres and the Centre for Corporate Relations (placement cell). The admission aspirants are the most important stakeholders and efforts are always made it to keep the eligibility conditions / selection process / benefits etc. as simple as possible as far as communication part is concerned.

Admission Calendar

The admission cycle starts in the first week of September every year with the online application window getting on and gets over with the commencement of the session in the middle of June. It comprises normally two round of selection process and it is conducted on pan India basis.

Centre's Governance & Admission Committee

The Centre for Admission is headed by Chairperson who works with a team comprising of a deputy drawn from faculty, two managers and three administrative staff.

Admission Committee constituted by the Director comprising of the senior faculty works as a guiding and advisory forum for the Centre. All the crucial decisions are taken in Admission Committee and the same is implemented by Centre barring emergency situations where the approval / consent of the Director is necessary.

Dissemination of information

Centre's admission information bulletin is the core document for public consumption and it is prepared with the consultation and inputs from all stakeholder mainly the Registrar's office, Academic Centers and Campus administration. The soft copy of the document is made available on the Institute's website and the same can be downloaded by those who are desirous.

This bulletin contains of all relevant inputs which are required for an aspirant to know about the institute's courses available, admission eligibility norms, pedagogy, facilities, international tie-ups, placement assistance and so on.
