

BIMTECH Honour Code

The Institute aims to create an environment in which students, faculty, staff and individuals affiliated with the Institute can freely exchange ideas and thoughts, build on their intellectual curiosity and celebrate diversity.

To create such an atmosphere, members of the community must respect each other and act responsibly.

A BIMTECH HONOUR CODE has been designed to give clear direction to the students in this regard. The Institute expects students to follow this code.

While joining the institute, in the orientation programme, every student will take a pledge and commit himself/herself to follow the BIMTECH HONOUR CODE in its true spirit.

Pledge of BIMTECH Honour Code

As a BIMTECHian,

I take the pledge that –

- I will strive to act with honesty and integrity.
- I will respect the rights and dignity of all people.
- I will care for others' safety and will avoid any kind of verbal and physical violence.
- I will provide truthful information to the Institute about my personal background.
- I will not fabricate or plagiarize any information concerning the curriculum.
- I will always act lawfully and not participate in any unlawful activity such as ragging, indulging in the consumption of intoxicating substances, etc.
- I will not seek, receive, or obtain an unfair advantage over other students.
- I will personally uphold and abide, in theory, and practice, the values, purpose, and rules of the BIMTECH HONOUR CODE.

- I will report all violations of the BIMTECH HONOUR CODE committed by members of the student community, to the authorities.

Handling Honour Code Violation

Every student is expected to report a suspected violation of the Honour Code to the Discipline Committee. The Committee will then notify the individual charged (4) Student Handbook 2023-24 that a case of Honour Code violation has been filed and that an investigation will follow.

At this point, the Committee will commence an investigation to determine the existence, nature, and extent of the alleged violation. The student charged will have an opportunity to present his/her evidence and case at a date and time determined by the Committee. At the end of the investigation, the Committee will determine whether the charges should be dropped, or appropriate disciplinary action should be declared.
