Dear HANDLERS,

You have been officially selected to compete at the **Hult Prize Bangkok 2024 Summit** hosted in partnership with **Chulalongkorn University on June 21st - 24th, 2024**.

Out of the 10,000 teams from 100+ countries that started the 2024 competition, only 360 startups will continue to the Hult Prize 2024 Summits. This selection highlights your startup's exceptional potential to make a significant impact on the UN Sustainable Development Goals. Your achievement is remarkable and sets you on the path to potentially win 1,000,000 USD of startup capital. Embrace this opportunity; it's not only a life-changing experience but also a testament to your dedication and potential.

As an invited startup, you have a few required action items to complete in the next few days so let's get to work!

Action items

1. **Accept your summit invitation via this [Bangkok Summit Acceptance Form](#) by April 11th, at 11:59 pm GMT.** If you do not confirm in time, the opportunity will immediately be given to another startup on our waitlist without notice. This form must only be completed by your team captain once. Summit transfers are extremely limited and we cannot guarantee your request can be fulfilled. A Hult Prize representative will be calling your team captain

shortly, please make sure to keep an eye out for our call. The number will start with +1 (402) XXXXXXXX.

2. **Upload your required summit submissions via [AcceleratorApp](#) by April 30th, 11:59 PM GMT.** This is mandatory for all competitors and failure to submit on time will result in the cancellation of your invitation. You are required to write up a business plan using our provided template [here](#) and using your team captain's existing login on the AcceleratorApp submission portal.
3. **Confirm your ability to travel to your assigned summit via the [Travel Confirmation Form](#) by May 10th, at 11:59 pm GMT.** You will be required to upload a form of travel or booked itinerary which can be one of the following: your flight ticket, hotel booked, visa granted, etc. This form must only be completed by your team captain once.

What's next?:

- **Once you accept your summit invitation**, you will receive your Summit City Welcome Guide which will provide you with the summit agenda, pre-arrival travel tips, and participation guidelines.
- **Once confirm your travel**, you will be onboarded to a communication platform, which could either be Slack/WhatsApp Community, and be introduced to a designated startup coordinator for your summit.

Resources available for you

The following tools are available to help you make the most out of your preparation time before your Summit:

- **Official Summit Invitation** - You may individually request your letters via [this form link](#). These invitation letters can be used as visa support letters for summit competitors. The Hult Prize Foundation cannot assist you with your individual/group visa applications. For more information, we highly recommend you consult with your in-country embassies and/or local certified Visa and Immigration advisor for accurate information specific to your country.
- **Hult Prize Competitors Toolkit** - This is where you will find answers to any questions you have about competing including submission requirements for the summits. Make sure to bookmark this page.
- **Hult Prize Digital Learning Hub** - A learning platform developed in partnership with Hult International Business School to provide Hult Prize participants with essential knowledge and tools for building impactful social enterprises. New modules for the summits phase will be released mid-April.
- **Summit Welcome Guide (Coming soon)** - This live page will be shared with you once you accept the summit invitation (action item 1) and it will provide you with a summit agenda, pre-arrival travel tips, and startup guidelines.

 We are organizing an online **Summit Q&A webinar** on **April 16th, at 2 PM GMT**, to support you along your competition journey. This is an opportunity for you to ask away any questions you have about the Hult Prize 2024 Summits competition guidelines, judging criteria, competition submissions and more. **Team captains may register [here](#) for a zoom ticket.**

Thank you for reading through this very important email. It is critical that you complete the above action items by their respective deadlines in order to confirm your spot.

If you have any questions, feel free to reach out to us via infohp@hultprize.org and include your team captain's email, startup name, university, country, and the name of the city you are attending.

Thank you for changing the world through social enterprise!

Best regards,

Hult Prize Foundation

Dear Sir,

I hope this email finds you well.

This email is to inform you that our team **HANDLERS** have been shortlisted in the **HULT Prize Final Summit Bangkok 2024** for our startup idea. Out of the 10,000 teams from 100+ countries that started the 2024 competition, only 360 startups will continue to the Hult Prize 2024 Summits which provides us an opportunity to

potentially win 1,000,000 USD of seed funding.

Team details -

1. Shubham Jain (Team Leader)

Email - shubham.jain25@bimtech.ac.in
